**I. Introduction**

The Advisory Committee on Bankruptcy Rules met on April 22 and 23, 2014, in Austin, Texas, at the University of Texas School of Law.

\* \* \* \* \*

Second, the Advisory Committee took action on new proposed rule and form amendments. The Committee requests publication for public comment of (1) the remaining group of modernized forms; (2) a new chapter 15 petition and related rule amendments; (3) an amendment to clarify the scope of Rule 3002.1; (4) an amendment to Rule 9006(f) that parallels amendments proposed by other Advisory Committees to eliminate the three-day rule following electronic service; and (5) a revised proof-of-claim attachment form for claims secured by home mortgages.

Part II of this report discusses the action items, grouped as follows:

\* \* \* \* \*

(B1) amendments to Rules 2002, 3002, 3007, 3012, 3015, 4003, 5009, 7001, 9009, and Official Form 113, for which the Committee seeks approval for republication in August 2014; and

(B2) matters for which the Advisory Committee seeks approval for publication in August 2014—amendments to Rules 1010, 1011, 2002, 3002.1, 9006(f), and new Rule 1012; modernized Official Forms 106J, 106J-2, 201, 202, 204, 205, 206Sum, 206A/B, 206D, 206E/F, 206G, 206H, 207, 309A, 309B, 309C, 309D, 309E, 309F, 309G, 309H, 309I, 312, 313, 314, 315, 401, 410, 410A, 410S1, 410S2, 416A, 416B, 416D, 424, and instructions; and the abrogation of Official Forms 11A and 11B.

#### *B1. Rule and Form Amendments for Which Republication Is Sought*

##### **Action Item 6. Rules 2002, 3002, 3007, 3012, 3015, 4003, 5009, 7001, and 9009**

As the Advisory Committee has previously reported, it has undertaken a multi-year project to create an official form for plans in chapter 13 cases. The chapter 13 plan form project is intended to eliminate the current anomaly of a major aspect of consumer bankruptcy practice not having a national form for presenting essential information to parties in interest. The Committee sees the adoption of a form for chapter 13 plans as bringing greater coherence to the presentation of information in chapter 13 cases and improving the procedures for preparing, reviewing, and confirming chapter 13 plans. The form (Official Form 113) was published for public comment in August 2013 along with related amendments to nine of the Bankruptcy Rules (Rules 2002, 3002, 3007, 3012, 3015, 4003, 5009, 7001, and 9009). After considering the public comments, the Advisory Committee has proposed a number of changes to the plan form and rule amendments. Accordingly, the Advisory Committee seeks republication of both the plan form and the package of accompanying rule amendments.

The Advisory Committee anticipated that the plan form and related rule amendments would generate significant interest, and, as expected, a large number of comments were submitted. The Advisory Committee received approximately 150 public comments related to the chapter 13 plan form project. In addition, two witnesses testified about the project at a public hearing in January 2014. The Advisory Committee's Chapter 13 Plan Form Working Group exhaustively reviewed and discussed the comments received. In all, the Working Group

convened for nine multi-hour conference calls to consider issues and concerns raised by the comments.

The current proposals for changes to the plan form are discussed below at Action Item 7. The principal comments and resulting changes to the rule amendments are discussed in this section.

#### *Rule 2002*

The published amendment to Rule 2002 would require giving 21 days' notice of the time to object to confirmation of a chapter 13 plan and 28 days' notice of the date of the confirmation hearing. Few comments were submitted on this amendment, and the Advisory Committee made no changes to the published rule. One comment suggested altering Rule 2002 to limit the required notice of pre-confirmation plan modifications. The Working Group, however, recommended against making changes to the basic notice provisions already included in the Bankruptcy Rules. A more comprehensive project on noticing may be undertaken by the Advisory Committee, and reconsideration of these issues would be more appropriate in that context.

#### *Rule 3002*

The published amendment to Rule 3002 included two significant changes to the rule. The first would alter Rule 3002(a) to state that the holder of a secured claim must file a proof of claim in order to have an allowed claim. The second would alter Rule 3002(c) principally to shorten the bar date—that is, the deadline by which a creditor must file a timely proof of claim—to 60 days after the petition is filed. The published amendment to Rule 3002(c) would provide an additional period of 60 days after the initial 60-day bar date. This additional 60-day period would allow holders of mortgage claims to file the supplemental documents required by Bankruptcy Rule 3001(c)(1) and (d). These changes drew a large number of comments.

Although in general the comments supported the thrust of the amended rule, they raised a number of issues. A comment from the NCBJ urged the removal of language stating that the failure of an entity to file a proof of claim does not void a creditor's lien. Apart from criticism of the phrasing of the statement, the comment objected that the provision strayed into an area of substantive law. Nevertheless, the Advisory Committee retained the language, which makes clear that the change in Rule 3002(a) to require secured creditors to file proofs of claim is not in tension with the general rule that a secured creditor's lien survives bankruptcy even if no proof of claim is filed. The language used in the published amendment is drawn directly (and intentionally) from § 506(d)(2) of the Bankruptcy Code. Several comments took issue with the bifurcated bar date for mortgage claims on the ground that a 120-day period gave unwarranted favored treatment to mortgage creditors. By contrast, a comment by a group of large mortgage servicers expressed the concern that a bifurcated bar date might give rise to new disputes about proofs of claim. The Advisory Committee is satisfied that the general 60-day bar date will usually be sufficient time for filing proofs of claim. The bifurcated bar date for mortgage claims reflects the concern that retrieval of required supporting documents for those claims may take longer than 60 days. This proposal was generated through discussions at a mini-conference held in Chicago in January 2013 in which representatives from a number of stakeholders in the chapter 13 process (including mortgage servicers) participated. The Advisory Committee

believes that the additional supporting documents to be filed by the end of the 120-day period will generate significant disputes in very few cases.

The Advisory Committee has approved two changes to the language of amended Rule 3002(c). One is a wording change to ensure consistency of terminology throughout the rule with respect to the starting point for calculating the bar date. The second clarifies that the listed exceptions to Rule 3002(c) apply to all cases—and not only involuntary chapter 7 cases— included in the subdivision.

#### *Rule 3007*

The Advisory Committee received a limited number of comments on the published amendment to Rule 3007, which governs objections to claims. Some of the comments offered stylistic suggestions that the Advisory Committee did not adopt. Others were more substantive and touched on service requirements. The Advisory Committee addressed service requirements for objections to claims at its fall 2013 meeting, when it approved amendments to Rule 3007(a) that were published for comment in 2011. Under amended Rule 3007(a), service of a claim objection would be made on claimants by mailing notice to the person listed on the proof of claim. Service on federal government and insured depository institution claimants, however, would also be made according to the applicable provisions of Rule 7004. The amended rule would also clarify that a hearing need not be held on every claim objection, so long as the claimant received notice and an opportunity for a hearing. Finally, the Committee voted at the fall 2013 meeting to delete the following language that was included in the proposed amendment to Rule 3007(a) published for comment last summer: “Except to the extent that the amount of a claim is determined under Rule 3012 in connection with plan confirmation in a chapter 12 or 13 case, a . . . .” This deletion was made because Rule 3012 does not address objections to claims, which is the subject of Rule 3007. Thus no exception to the latter rule is required.

#### *Rule 3012*

Amended Rule 3012 would govern the valuation of secured claims and priority claims. The published amendment drew support and opposition. A number of comments endorsed the key change in the rule—an express provision permitting a chapter 13 plan to include a request for the determination of allowed secured claim values. Other comments opposed this change to the rules on various grounds, including concerns about due process and concerns about the amended rule’s treatment of claims by governmental units. The Advisory Committee did not find the due process objections persuasive in light of the heightened service requirements the amended rules would impose when a request for valuation is made through a chapter 13 plan. The objection to the treatment of governmental units (their secured claims could not be valued in a plan) was also unpersuasive. The different treatment of these claims is driven by the statutory grant of a longer bar date for the claims of governmental units.

The Advisory Committee approved a change to the published Rule 3012(c) to clarify that a request to determine the amount of a secured claim of a governmental unit may be made only by motion or in a claim objection after the governmental unit files a proof of claim. The Advisory Committee also approved amendments to Rule 3012(b) at the fall 2013 meeting. With the amendments, Rule 3012(b) would require service in the manner provided in Rule 7004 for a chapter 12 or 13 plan that requests determination of the amount of a secured claim, but would

leave to Rules 3007(a) and 9014(b) the method of service for claim objections and motions to determine the amount of a secured claim, respectively.

### *Rule 3015*

The published amendments to Rule 3015 proposed several changes in the rule. Amended Rule 3015(c) would require that plans filed in chapter 13 cases must “be prepared as prescribed by the appropriate Official Form” and that provisions deviating from the Official Form are effective only if they are placed in the part of the form reserved for nonstandard provisions. Amended Rule 3015(f) would require that objections to plan confirmation be made at least seven days before the confirmation hearing. Amended Rule 3015(g) would make clear that the valuation of a secured claim in a confirmed plan is binding on the holder of the claim. And Amended Rule 3015(h) governs the service of a plan modified after confirmation.

Most of the comments critical of the amended rule objected to the provision in Rule 3015(c) requiring use of the Official Form for chapter 13 plans. The Advisory Committee’s consideration of the question whether to go forward with the chapter 13 plan form is discussed below in Action Item 7. Although the Advisory Committee has decided to continue pursuing a mandatory plan form, the published amended rule does not account for the possibility that a national plan form might not be adopted at a time when the rule is in effect. The Advisory Committee altered the language of Rule 3015(c) to account for this possibility.

The Advisory Committee made two other changes to the published version of Rule 3015. First, language has been added to Rule 3015(f) to require objections to be filed “at least seven days before the *date set for the* hearing on confirmation.” This change responds to comments pointing out that some districts, while setting confirmation hearing dates, ordinarily confirm plans without a hearing if there are no objections. Under the new language, a deadline for objections would be clear even if no hearing is held. Second, prompted by a comment from the IRS’s Office of General Counsel, the Advisory Committee has made a small change to Rule 3015(g). The language of amended Rule 3012(g) has been altered to provide that any “determination made *in accordance with Rule 3012*”—rather than “under Rule 3012”—will be binding.

Finally, the Advisory Committee has added a sentence to the Committee Note for Rule 3015 to make clear that service under Rule 3015(h) does not necessarily require heightened Rule 7004 service. Another change to the Committee Note regarding Rule 3015(h) was made to point out that the option to serve a summary of a proposed plan modification remains in the rule.

### *Rule 4003*

The published amendment to Rule 4003(d) would permit a lien avoidance proceeding under § 522(f) of the Bankruptcy Code to be commenced through a chapter 13 plan as well as by motion. Several comments raised questions about an ambiguity in the amended rule as to the requirements for service of a plan seeking lien avoidance. The Advisory Committee added clarifying language stating that only the affected creditors need to receive the heightened service provided under Rule 7004.

### *Rule 5009*

Several comments raised concerns about the published amendment to Rule 5009(d). That provision would permit a debtor to request “an order determining that the lien on” property of the estate “has been satisfied.” The final sentence of the amended rule provides further than an “order entered under this subdivision is effective as a release of the lien.” The comments questioned whether the terms “satisfied” and “release” were used appropriately, while other comments questioned whether a bankruptcy court has the authority to enter the order contemplated by the amended rule.

The Advisory Committee decided to alter the amendment. The phrase “an order declaring that the secured claim has been satisfied and the lien has been released under the terms of a confirmed plan” has been substituted in the first sentence of the rule. This language clarifies that the order would merely seek a declaration of the effects of a confirmed plan. Furthermore, the Advisory Committee decided to remove the final sentence as unnecessary.

### *Rule 7001*

Few comments addressed the amendment to Rule 7001, which makes clear that an adversary proceeding is not needed for proceedings under Rule 3012 or 4003(d). Although a number of comments supported the amendment, the NCBJ expressed reservations. In particular, the NCBJ viewed Rule 3012 as addressing relief by motion, which would not be a “proceeding” that would need to be excluded from Rule 7001(2). The Advisory Committee understood the meaning of proceedings to be broader than adversary proceedings—in other words, something could be called a proceeding and not be categorized as an adversary proceeding. Accordingly, the additional clarity of amended Rule 7001 was deemed worthwhile.

The Advisory Committee decided to make a change to the wording of the amendment, however. The published amendment referred to “a proceeding to determine the validity, priority, or extent of a lien or other interest in property, not including a proceeding under Rule 3012 or Rule 4003(d).” The Advisory Committee concluded that it would be more accurate to substitute “but not a proceeding under Rule 3012 or Rule 4003(d)” at the end of the amended sentence.

### *Rule 9009*

The published amendment to Rule 9009, which governs the use and alteration of Official Forms, would have effected significant changes to the current rule. In general, current Rule 9009 requires only substantial compliance with Official Forms and expressly provides that “[f]orms may be combined and their contents rearranged to permit economies in their use.” The published amendment to Rule 9009 is more restrictive and would require the use of Official Forms “without alteration, except as otherwise provided in these rules or in a particular Official Form.” This more restrictive version of Rule 9009 was prompted by the confluence of the Advisory Committee’s Forms Modernization Project and the publication of the chapter 13 plan form project. For each project, the Advisory Committee had devoted a great deal of attention to the format, sequencing, and presentation of information. In particular, the chapter 13 plan form requires nonstandard provisions to appear only in one portion of the form, and it would defeat the purpose of this feature if the form could be rearranged freely.

The amended rule drew approximately twenty comments. Many of the comments opposed the amended rule principally out of opposition to the chapter 13 plan form. Even comments that expressed support for the plan form, however, raised concerns about the amended rule. These comments read the amended rule as requiring nearly “pixel by pixel” reproduction of an Official Form, which would be impractical in many circumstances—particularly when forms are generated (as is increasingly common) by bankruptcy preparation software or by court electronic case filing systems. The Working Group and the Subcommittee on Forms, after reviewing the comments, agreed that the rule should permit a greater degree of flexibility in the use and reproduction of forms. The revised amendment would allow deviations from an Official Form if permitted by the national instructions for the form in addition to those deviations permitted by the Bankruptcy Rules or the form itself. It would also allow “minor changes not affecting wording or the order of presenting information” on a form. The five specified exceptions to the general rule in the published amendment have accordingly been pared down to three, and these are now given as examples of permissible “minor changes” to a form.

### **Action Item 7. Official Form 113**

As noted above, the chapter 13 plan form generated a large number of public comments. Although few of the comments submitted early in the public comment period expressed outright opposition to adoption of any national plan form, later comments more commonly expressed general opposition to a national form. The expressions of opposition prompted the Working Group to question whether the Advisory Committee should consider abandoning the project or proposing a plan form merely as an option that might be adopted by individual bankruptcy courts or judges. After thorough deliberation, the Working Group concluded that the chapter 13 plan form and rule amendments should be recommended as currently structured and that it would defeat the goal of greater uniformity in chapter 13 practice if the form were turned into an optional one.

At the same time, the Working Group proposed a number of significant changes to the published form in response to the concerns raised by the comments. The Advisory Committee agreed with the Working Group’s recommended changes and seeks republication of the form in light of these changes.

#### *Public Comments on the Plan Form*

A significant number of negative comments criticized the plan form for diminishing the freedom of debtors to propose lawful chapter 13 plans and infringing upon the authority of bankruptcy judges to adjudicate and administer chapter 13 cases. This concern was—by far—the most commonly expressed criticism of the project. For example, a significant number of comments opposed the plan form because it presents the option (in a choice of checkboxes) for a debtor to make ongoing payments directly to secured creditors rather than through the “conduit” of a chapter 13 trustee. This point was made in concrete form by Chief Judge Robert Nugent (D. Kan.), on behalf of the bankruptcy judges of the district, who objected that the form would disrupt his court’s policy of requiring debtors to make ongoing mortgage payments through the chapter 13 trustee—a policy that Chief Judge Nugent believes has led to the successful administration of chapter 13 cases in the district. Many comments from similar “conduit” districts echoed Chief Judge Nugent’s concern. On the other hand, Judge S. Martin Teel (Bankr.

D.D.C.) expressed the inverse concern—that the form gave debtors the option of making ongoing payments to secured creditors through the trustee, even though his court is not a conduit district.

The Working Group decided that this concern rested on a misapprehension of the purpose and function of the chapter 13 plan form. The form is merely that—a form. It is not, in itself, a plan. Rather, it presents features typically found in chapter 13 plans in an ordered sequence. Nothing in the form diminishes the debtor’s ability to propose a plan of the debtor’s choosing. Similarly, the form does not mandate that a court accept the debtor’s choice of a particular option included on the form. The Working Group recommended the addition of an explicit warning to the form—as the first item of the form text—to remind debtors of this point, and the Advisory Committee accepted that recommendation. The proposed warning states: “This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district.”

Three other concerns were most commonly expressed by the public comments. First, a number of comments objected that the plan form would be too long and complex, which would mean increased attorney time (and cost) to complete the form, increased court time to review it, increased confusion and litigation, and a costly transition period from current practices. Second, some comments objected that the form should *not* seek to promote greater uniformity, because local variations are valuable—and perhaps inevitable—in chapter 13. Third, comments raised the related concern that the plan form was an unwise attempt by the Advisory Committee to regionalize or nationalize consumer bankruptcy practice. The Advisory Committee concluded that these concerns, while understandable, were misplaced.

First, the length of the form as published would not reflect the length of the form when used to file a typical chapter 13 plan. The various parts of the form, as explicitly stated on the document, need not be reproduced if the debtor does not include information in a particular section. For that reason, the Advisory Committee intends to include in a revised committee note a partially “collapsed” form showing the length of a typical plan in practice. The Working Group also received feedback from “real world” implementations of the form. Debra Miller, a chapter 13 trustee (N.D. Ind.), reported in a comment and in testimony at the public hearing that her district had adopted the draft plan form a year ago. Although Ms. Miller provided suggestions for clarifying and streamlining the form, she explained that it had not led to confusion or an increase in litigation.

Second, the Advisory Committee continues to see great value in encouraging more uniformity in chapter 13 procedures. A national plan form would benefit debtors, creditors, and courts by simplifying the preparation and review of chapter 13 plans and by allowing lower cost software programs and legal education programs for attorneys practicing in chapter 13 cases. Similarly, although the Advisory Committee cannot abridge, enlarge, or modify substantive rights in bankruptcy, more uniform procedures would have the beneficial effect of encouraging the clarification of open questions of law in chapter 13 cases. Because current chapter 13 procedures across the country are so fragmented, an appeal in one case arising in a particular

district has limited persuasive force elsewhere. Having a common plan form would thereby lead to greater clarity in the law governing chapter 13 cases.

Third, the Advisory Committee believes the concerns about regionalized or nationalized consumer bankruptcy practice are unwarranted. The Advisory Committee did not set out to restructure the consumer debtor bar. And it does not believe that any such restructuring would be the likely outcome of adopting a national plan form. Other areas of consumer debtor practice in which forms are more uniform (most significantly, in chapter 7) have not been transformed in the manner feared by these comments.

#### *Changes to the Published Form*

In addition to the changes discussed above, the Advisory Committee has altered a number of parts of the plan form. Three changes are particularly worthy of note. First, the revised plan form provides for greater flexibility as to the manner in which a debtor funds a chapter 13 plan, including the provision of payments by multiple “steps” of varying durations and the provision of more options concerning the commitment of a debtor’s tax refund. Second, the Advisory Committee altered Part 7 of the plan form, which sets forth the order of distribution of payments to creditors. As published, Part 7 listed payments of the trustee’s fee, followed by payments to secured creditors, with the remaining spaces left blank. Part 7 generated a heavy volume of comments, with a split between those seeking a more detailed order of distributions, those seeking no order of distributions at all (in favor of having the trustee determine the order), and those seeking a completely blank order of distributions. The Advisory Committee decided to leave this part blank with the exception of the provision of payment of the trustee’s fee. The revised Committee Note, however, now states that the debtor may choose to leave the order of distribution to the trustee’s direction. Third, the Advisory Committee altered the signature box (Part 10). As published, this part of the plan form required only debtors’ attorneys and pro se debtors to sign the form. On further reflection, the Advisory Committee has decided to make signatures by represented debtors optional. A number of comments noted that debtors’ attorneys might want their clients to sign the plan, both to increase the evidentiary value of the plan in the proceedings and also to verify that the debtor has reviewed the plan’s contents.

#### *Republication of the Plan Form and Rule Amendments as a Package*

The Advisory Committee wishes to republish both the plan form and rule amendments, with many members supporting the adoption of the rule amendments only in conjunction with a national plan form. The Committee recommends soliciting public comment on whether the form and rules should be considered as an integrated package. Two members of the Committee dissented from this aspect of the republication request.

#### *B2. Rule and Form Amendments for Which Publication Is Sought*

##### **Action Item 8. Rules 1010, 1011, 1012, 2002**

The Advisory Committee will seek permission to publish amendments to the Bankruptcy Rules in order to improve procedures for international bankruptcy cases. Under chapter 15 of the Bankruptcy Code, a representative of a foreign debtor may petition a United States court to recognize a foreign proceeding in a cross-border insolvency case. If the recognition petition is

granted, certain provisions of the Bankruptcy Code will apply to assist the foreign representative in administering the debtor's assets or in pursuing other relief. Shortly after chapter 15 was added to the Bankruptcy Code in 2005, the Bankruptcy Rules were amended to insert new provisions governing cross-border cases. Among the new provisions were changes to Rules 1010 and 1011, which previously governed only involuntary bankruptcy cases, and Rule 2002, which governs notice. The proposed amendments to the Bankruptcy Rules would make three changes: (i) remove the chapter 15-related provisions from Rules 1010 and 1011; (ii) create a new Rule 1012 to govern responses to a chapter 15 petition; and (iii) augment Rule 2002 to clarify the procedures for giving notice in cross-border proceedings.

The explanation for these amendments requires a brief background on the chapter 15 process. Chapter 15 defines two categories of foreign proceeding. Section 1502(4) defines a "foreign main proceeding" as a foreign proceeding pending in the country where the debtor has the "center of its main interests." Section 1502(5), on the other hand, defines a "foreign nonmain proceeding," as a foreign proceeding (other than a foreign main proceeding) pending in a country "where the debtor has an establishment." Section 1517(c) requires that a petition for recognition be decided "at the earliest possible time" after notice and a hearing. Section 1520(a) provides that upon recognition of a foreign main proceeding, the automatic stay under § 362 applies to the debtor and the property of the debtor in the United States. With a foreign nonmain proceeding, however, the foreign representative must apply for a grant of "any appropriate relief," including a stay of actions against the debtor and the property of the debtor. § 1521(a).

The Advisory Committee's Subcommittee on Technology and Cross-Border Insolvency noted a number of oddities in the Bankruptcy Rules' treatment of the two types of foreign proceedings. Rule 1010 requires the clerk to issue a summons for service when a petition for the recognition of a foreign *nonmain* proceeding is filed—but not when a petition for the recognition of a foreign main proceeding is filed. Yet Rule 1011, which governs responses to a petition for recognition of a foreign proceeding, appears to contemplate that service of the summons will be made in all cases. Rule 1011(b) provides that "[d]efenses and objections to the petition shall be presented in the manner prescribed by Rule 12 F.R.Civ.P. and shall be filed and served within 21 days *after service of the summons.*" (emphasis added). Thus, under Rule 1011(b), service of the summons triggers the time period for responding to a petition for recognition of a foreign main or nonmain proceeding, yet no summons issues with a foreign main proceeding under Rule 1010. Rule 2002(q) further complicates the picture. That rule requires service of at least 21 days' notice of the hearing on a recognition petition. But the rule does not explicitly address when the court should set the hearing. This raises the concern that if the court must wait until the expiration of the response times under Civil Rule 12 (generally 21 days), as possibly indicated by Rule 1011(b), then an unnecessary delay may occur between the petition's filing and the recognition hearing date. That delay would be contrary to the Code's requirement of prompt adjudication of a petition for recognition. Rule 2002(q) also contains another gap. It does not address how courts should treat requests for provisional relief—a commonplace part of chapter 15 practice—in advance of a recognition hearing.

The Subcommittee concluded that the Bankruptcy Rules contain procedures that are ill suited for chapter 15 cases. The amendments would drop the requirement of issuing a summons after the filing of a petition for recognition—a requirement that appears to be honored in the

breach in some courts entertaining chapter 15 cases. Procedures for objections and other responses to a petition would be governed by a new Rule 1012. Rule 2002(q) would be amended in three respects. First, the rule would expressly require a prompt hearing on a petition for recognition. Second, the rule would indicate the contents of the hearing notice. Third, the rule would permit the court to combine a hearing on provisional relief with the recognition hearing in a manner similar to that contemplated by Rule 65 of the Civil Rules (made applicable in bankruptcy under Rules 1018 and 7065). These changes are intended to ensure that the Bankruptcy Rules set forth more accurate and effective procedures for the adjudication of chapter 15 cases.

Acting on the Subcommittee's recommendation, the Advisory Committee voted to seek permission to publish these amendments to the Bankruptcy Rules. The amendments would be published together with a new form for chapter 15 petitions (Official Form 401), discussed separately in Action Item 11.

**Action Item 9.** **Rule 3002.1** applies in chapter 13 cases and requires creditors whose claims are secured by a security interest in the debtor's principal residence to provide the debtor and trustee certain information about the mortgage while the bankruptcy case is pending. It requires the creditor to give notice of any changes in the periodic payment amount and notice of any fees, expenses, or charges that are incurred after the bankruptcy case is filed. The proposed amendments would clarify when the rule applies and when its requirements cease.

Since the rule went into effect in 2011, a conflict in the case law has arisen over whether the rule applies to a case in which the debtor is not curing a prepetition mortgage default under the plan but is maintaining mortgage payments while the case is pending. The source of the confusion is the rule's reference to "claims . . . provided for under § 1322(b)(5) of the Code in the debtor's plan." That statutory provision authorizes a chapter 13 plan to "provide for the curing of any default within a reasonable time and maintenance of payments while the case is pending." Some courts have read that provision as not applying unless the debtor has defaulted on the mortgage prior to commencement of the chapter 13 case. As a result, they have held that the reporting obligations under Rule 3002.1 do not apply if no default is being cured. *See, e.g., In re Weigel*, 485 B.R. 327, 328 (Bankr. E.D. Va. 2012); *In re Wallett*, 2012 WL 4062657 at \* 2 (Bankr. D. Vt. 2012). Other courts have interpreted § 1322(b)(5) as authorizing maintenance of mortgage payments even when there is no need to cure a default. Based on that view, they have applied Rule 3002.1 to cases with a maintenance-only plan. *See, e.g., In re Tollios*, 491 B.R. 886 (Bankr. N.D. Ill. 2013); *In re Cloud*, 2013 WL 441543 at \* 2 (Bankr. S.D. Ga. 2013).

The Advisory Committee concluded unanimously that a creditor's obligations under Rule 3002.1 to keep a debtor informed about the status of a mortgage should apply whenever a chapter 13 plan provides for continuing payments on the mortgage while the bankruptcy case is pending. The goal of Rule 3002.1 is to allow a debtor to be current on a home mortgage at the end of a successful chapter 13 case. Whether or not there was a prepetition default, proper payment of the mortgage during the case requires accurate information about any changes in payment amounts and the assessment of any fees and charges. The Committee therefore acted positively on the suggestion of Bankruptcy Judge Carol Doyle (N.D. Ill.) (Suggestion 13-BK-E) that the rule be amended to clarify that it applies to any chapter 13 plan that provides for the

maintenance of home mortgage payments. The proposed amendment would remove the reference to § 1322(b)(5) in subdivision (a) and add in its place the requirement that the plan “provides that either the trustee or the debtor will make contractual installment payments.”

In proposing that amendment, the Advisory Committee is also attempting to resolve another case conflict—whether Rule 3002.1 applies only when the chapter 13 trustee makes the ongoing mortgage payments (sometimes incorrectly referred to as “payments under the plan”) or whether the rule also applies when the debtor makes the mortgage payments directly (sometimes incorrectly referred to as “payments outside the plan”). The Committee’s intent in promulgating the rule was for the rule to apply in either situation, and the Committee Note so stated. Because a few courts have limited the rule’s applicability to trustee-payment cases, however, the Committee voted unanimously to clarify in the proposed amendment that the rule applies to plans in which either the trustee or the debtor will maintain mortgage payments.

Finally, the Advisory Committee voted to propose an amendment of Rule 3002.1(a) to address an issue on which the rule is currently silent—when do the creditor’s obligations under the rule cease? If during a chapter 13 case a creditor obtains relief from the automatic stay in order to foreclose on the home mortgage, there would generally be no reason to continue to inform the debtor about changes in payment amounts or assessment of fees, since payment will usually be discontinued. Based on the current rule’s silence, however, some courts have concluded that there is no basis for relieving the creditor of its obligations under the rule in that situation. *See, e.g., In re Kraska*, 2012 WL 1267993 (Bankr. N.D. Ohio 2012); *In re Full*, 2012 Bankr. LEXIS 4704 (Bankr. D.S.C. 2012).

The Committee voted, with 3 dissents, to propose the addition of the following sentence at the end of Rule 3002.1(a): “Unless the court orders otherwise, the notice requirements of this rule cease to apply when an order terminating or annulling the automatic stay becomes effective with respect to the residence securing the claim.” Members who opposed the amendment noted that in some cases debtors have a continuing need for the mortgage information because they will seek to cure their postpetition default or obtain a mortgage modification. A paragraph was added to the Committee Note to encourage courts in appropriate situations to be open to requests to continue the reporting requirements after stay relief is granted.

**Action Item 10. Rule 9006(f)** is proposed to be amended in response to a recommendation of the Standing Committee’s CM/ECF Subcommittee. The amendment would eliminate the three-day extension to time periods when service is effected electronically. It would therefore parallel amendments to Civil Rule 6(d), which was presented to the Standing Committee at its January meeting, and Appellate Rule 26(c) and Criminal Rule 45(c), which are being proposed for publication at this meeting.

The Advisory Committee agreed with the CM/ECF Subcommittee’s rationale for eliminating the three-day rule in the case of electronic service. Now that electronic service is widely used, reliable, and generally instantaneous, there is no reason to extend the time in which the party served must take action following service. Elimination of the three additional days when electronic service is used also facilitates day-of-the-week counting, which the Time Computation Project brought to the rules.

The Advisory Committee discussed whether the amendment should go beyond electronic service and either eliminate the three-day rule altogether or eliminate it for some additional methods of service. In the end the Committee voted unanimously to propose an amendment that is limited to electronic service. Members concluded that it is important to have uniformity in how time is computed under the various federal rules, and the Committee therefore favored proposing an amendment that is consistent with the CM/ECF Subcommittee's recommendation.

#### **Action Item 11. Official Form 401**

The Advisory Committee will seek publication of an Official Form for chapter 15 petitions. The creation of the form arose from the ongoing work of the Forms Modernization Project. While drafting a new voluntary petition form for non-individual debtors, the FMP received comments suggesting that a separate chapter 15 petition form should be drafted. In particular, the U.S. Trustee Program recommended the creation of a separate form to allow the deletion of information on the voluntary petition form that is relevant only to chapter 15 cases.

A draft chapter 15 petition form, designated as Official Form 401, was presented to the Advisory Committee for preliminary discussion at its fall 2013 meeting. The Subcommittee on Technology and Cross-Border Insolvency then sought further input from a group of outside reviewers with expertise in chapter 15 cases. These reviewers—from judicial, academic, and practice backgrounds—noted a number of suggested changes to the draft form. On the whole, the reviewers' comments are positive and helpful, and the Subcommittee found a number of their suggested changes to be improvements that were incorporated into a revised draft. The Advisory Committee accepted the Subcommittee's recommendation and voted to seek publication of the form.

As described in Action Item 8, the Advisory Committee anticipates that the new petition form will be published together with the chapter 15-related amendments to the Bankruptcy Rules.

**Action Item 12. Official Form 410A** (currently Form 10A) is the Mortgage Proof of Claim Attachment. The form is required to be filed in an individual debtor case with the proof of claim of a creditor that asserts a security interest in the debtor's principal residence. The form currently requires a statement of the principal and interest due as of the petition date; a statement of prepetition fees, expenses, and charges that remain unpaid; and a statement of the amount necessary to cure any default as of the petition date. The Advisory Committee seeks publication for public comment of a revised form that would replace the existing form with one that requires a mortgage claimant to provide a loan payment history and other information about the mortgage claim, including calculations of the claim and the arrearage amounts.

When the Advisory Committee was considering the promulgation of Official Form 10A, it heard from some commenters that a full or partial mortgage account history should be required. The Committee concluded then that a more summary form would better convey the necessary information, but it determined to reconsider the issue after a period of experience with the new form.

The Committee held a mini-conference of interested entities in September 2012. There was general agreement among participants on the following suggestions for revision of the attachment form:

- A detailed payment history should be attached to the proof of claim. The payment history should be in a form that can be automated.
- Disclosure requirements should be uniform nationwide; local variations should be prohibited.
- The proof of claim attachment should include the amount of the regular mortgage payment applicable as of the petition date.
- The proof of claim attachment should show the calculation of the total claim as of the petition date.

The Advisory Committee later created a Mortgage Forms Working Group to follow up on suggestions that emerged at the mini-conference. The Group consists of several members of the Committee, an invited bankruptcy judge, a chapter 13 trustee, and an attorney for a mortgage lender and servicer. The Working Group drafted a new attachment form and presented it to the Advisory Committee at the spring meeting, where it was unanimously approved for publication.

The new form would require a home mortgage claimant to provide a history of the loan account starting with the “First Date of Default.” As explained in the Committee Note and Instructions, that date is the first date on which the borrower failed to make a payment in accordance with the terms of the note and mortgage, unless the note was subsequently brought current with no principal, interest, fees, escrow payments, or other charges immediately payable. The loan history would show when payments were due; when the debtor made payments and how those payments were applied; when fees and charges were incurred; and what the balances were for the various components of the loan after amounts were received or fees and charges were incurred. Advocates of requiring a loan history have stated that disclosure of this information would enable a debtor to see the basis for a mortgage claim and the arrearage amount, thereby facilitating resolution of disputes about mortgage amounts in some cases and providing a basis for objecting to claim amounts in others.

From the mortgage claimant’s perspective, the proposed attachment form has the advantage of being in a format that can be automated, unlike the existing form that must be completed by hand. Outreach to various lenders indicated that automation of the form would be feasible for them. The pending amendments to Rule 9009 would require the uniform implementation of the new form in all districts, thereby allowing creditors to develop universally applicable software for form completion.

In addition to requiring a loan history, the proposed Form 410A would provide spaces for calculating the total amount of the debt and any prepetition arrearage. It also calls for the claimant to state the amount of the monthly mortgage payment as of the petition date.

The Advisory Committee requests that the proposed form be published this summer, along with its Instructions and a sample form that shows how the form would be completed in an illustrative case.

**Action Item 13. The nearly final installment of the Forms Modernization Project.**

The restyled forms for which the Advisory Committee is now seeking publication constitute the last major group of Official Forms that will be revised by the Forms Modernization Project (“FMP”).<sup>1</sup> This group of forms consists primarily of case opening forms for non-individual cases, chapter 11-related forms, the proof of claim form and supplements, and orders and court notices for use in all types of cases. Also to be published are two revised individual debtor forms and the announcement of the proposed abrogation of two Official Forms.

**An instruction booklet for non-individuals is also included for comment.**

Before the spring 2012 meeting of the Advisory Committee, the FMP adopted the following guidelines for drafting the non-individual debtor forms:

- Eliminate requests for information that pertain only to individuals.
- To the extent possible, parallel how businesses commonly keep their financial records.
- Include information identifying where and how the requested information departs from information maintained according to standard accounting practices.
- Provide better instructions about how to value assets listed in the schedules, and provide a valuation methodology that will allow people who commonly sign schedules to respond without needing expert asset valuations.
- Revise the secured debt schedule to clarify when debts are cross-collateralized and the relative priority of secured creditors.
- Require responsive information to be set out in the forms themselves and not simply included as attachments.
- Use a more open-ended response format, as compared to the draft individual debtor forms.
- Keep interdistrict variations to a minimum, particularly with respect to the mailing matrix.

The drafting of the modernized non-individual forms was done using an iterative approach. A drafting group of the FMP prepared drafts of the non-individual forms. Then, with assistance of Beth Wiggins and Molly Johnson from the Federal Judicial Center, research was

done on ways in which the non-individual forms could be improved. They obtained input from the groups of professionals who reviewed the individual forms, as well as groups of chapter 11 attorneys, the National Association of Bankruptcy Trustees, representatives of the U.S. Trustee Program, a Western District of Michigan group assembled by Bankruptcy Judge Jeffrey Hughes, an Eastern District of California group assembled by Bankruptcy Judge Christopher Klein, and form software vendors. The Advisory Committee also had an opportunity to review the forms and make suggestions at its fall 2013 meeting. After additional revisions were made, the forms were presented to the Advisory Committee at the spring meeting. The Committee unanimously approved them for publication.

The proposed revisions to this group of forms consist primarily of creating separate case-opening forms for non-individual cases, renumbering all of the forms, and making changes to style and format. In addition, the Advisory Committee is proposing the changes noted below to a few of the forms in this group.

*Official Forms 11A and 11B.* The Committee is proposing the abrogation of these Official Forms and their replacement with Director's Forms. Parties routinely modify these power of attorney forms to conform to state law, the needs of the case, or local practice. There is no reason that the exact language of these forms needs to be used. Because the proposed amendment to Rule 9009 would restrict alteration of Official Forms, except as provided in the rules, form instructions, or in a particular Official Form, the Committee determined that the subject of these forms would be better handled by Director's Forms. The latter forms may be altered as needed, and their use is not mandatory unless required by a local rule.

*Official Forms 106J and 106J-2.* These forms are part of the debtors' schedules in a joint case. Official Form 106J-2 (Schedule J-2: Expenses for Separate Household of Debtor 2) is new. It would be used only in a joint case in which the spouses maintain separate households. Debtor 2's monthly expenses would be itemized and totaled on Form 106J-2, and then that total would be listed on line 22b of Form 106J (Schedule J: Your Expenses) to be used in the calculation of the debtors' total monthly expenses. Form 106J would be amended to add line 22b and to include references to Official Form 106J-2 at lines 1 and 22b.

*Combination of Forms.* In four instances, the Advisory Committee has combined two existing forms into one. Official Form 206A/B (Schedule A/B: Assets—Real and Personal Property) is a combination of existing Forms 6A and 6B for use in non-individual cases. Similarly, Official Form 206E/F (Schedule E/F: Creditors Who Have Unsecured Claims) is a combination of existing Forms 6E and 6F for use in non-individual cases. Two sets of notices of a bankruptcy case filing were also merged. Official Form 309E (Notice of Chapter 11 Bankruptcy Case (For Individuals or Joint Debtors)) combines existing Forms 9E and 9E(Alt), and Official Form 309F (Notice of Chapter 11 Bankruptcy Case (For Corporations or Partnerships)) does the same for existing Forms 9F and 9F(Alt).

Publication of this last group of modernized forms this summer means that they could go into effect on December 1, 2015, if no further publication is required and the Judicial Conference approves them. The timing of the implementation of the next generation of the CM/ECF system, however, may require a delayed implementation of the modernized forms to ensure that it is

technologically feasible to capture the data reported on them. For that reason the Advisory Committee suggests that the effective date of these forms and the ones discussed under Action Item 4 be December 1, 2015, or as soon thereafter as the available technology allows.

**Committee Note**

Subdivision (q) is amended to clarify the procedures for giving notice in cross-border proceedings. The amended rule provides, in keeping with Code § 1517(c), for the court to schedule a hearing to be held promptly on the petition for recognition of a foreign proceeding. The amended rule contemplates that a hearing on a request for provisional relief may sometimes overlap substantially with the merits of the petition for recognition. In that case, the court may choose to consolidate the hearing on the request for provisional relief with the hearing on the petition for recognition, see Rules 1018 and 7065, and accordingly shorten the usual 21-day notice period.

### Committee Note

Official Form 401 is required for any petition seeking recognition of a foreign proceeding under chapter 15 of the Bankruptcy Code. The form, which applies to foreign proceedings involving individual and non-individual debtors, consolidates information formerly included on Official Form 1 (Voluntary Petition). The petition must be signed by the foreign representative, under penalty of perjury, and by the foreign representative's attorney.

The petition requires disclosure of the foreign proceeding in which the foreign representative has been appointed (Line 4) and whether it is a foreign main proceeding or foreign nonmain proceeding (Line 5). If the foreign representative seeks recognition of the foreign proceeding as a foreign main proceeding or, in the alternative, a foreign nonmain proceeding, that request should be indicated in Line 5. Each country where any additional foreign proceeding known to the foreign representative is pending must be disclosed on Line 7. See Bankruptcy Rule 1004.2. Evidence of the foreign proceeding and of the foreign representative's appointment must accompany the petition. See 11 U.S.C. § 1515(b). These documents must be translated into English in accordance with 11 U.S.C. § 1515(d). The foreign representative must also attach a list of persons or bodies entitled to notice. See Bankruptcy Rule 2002(q).

The petition calls for information about the debtor, including the debtor's name (Line 1), other unique identifying information, if available (Line 2), and center of main interest (Line 9). The type of debtor is also requested (Line 11).

The foreign representative must indicate the basis for venue in the district by selecting an appropriate checkbox and, if necessary, providing additional information, such as a statement explaining why venue in the district is appropriate (Line 12). See 28 U.S.C. § 1410.

**Note Concerning Proposed Official Form 113 (Chapter 13 Plan) and Amendments to Rules 2002, 3002, 3007, 3012, 3015, 4003, 5009, 7001, and 9009 of the Federal Rules of Bankruptcy Procedure**

The Committee on Rules of Practice and Procedure, at the request of the Advisory Committee on Bankruptcy Rules, has approved the publication of proposed Official Form 113 and related amendments to nine bankruptcy rules. The form and accompanying rule amendments were initially published for public comment in August 2013 and have been revised in response to the comments received.

The Advisory Committee now seeks to direct attention to an issue that was not specifically identified when the form and rule amendments were published last year. The Advisory Committee drafted the form and rule amendments as complementary parts of a project to improve the chapter 13 process. Several committee members believe that this complementary relationship should be maintained, and that the rule amendments should be considered only in conjunction with adoption of the plan form. The Advisory Committee would appreciate public comment on this issue. Specifically, the Committee invites comment on the following question:

To what extent is it preferable that the amendments to Rules 2002, 3002, 3007, 3012, 3015, 4003, 5009, 7001, and 9009 be adopted in conjunction with a chapter 13 plan form?

Also, please note that several of these proposed rule amendments are not limited in their application to chapter 13 cases, but would also affect cases filed under other chapters of the Code.

**Committee Note**

Subdivisions (a) and (b) are amended and reorganized to alter the provisions governing notice under this rule in chapter 13 cases. Subdivision (a)(9) is added to require at least 21 days' notice of the time for filing objections to confirmation of a chapter 13 plan. Subdivision (b)(3) is added to provide separately for 28 days' notice of the date of the confirmation hearing in a chapter 13 case. These amendments conform to amended Rule 3015, which governs the time for presenting objections to confirmation of a chapter 13 plan. Other changes are stylistic.

2 (a) NECESSITY FOR FILING. ~~An~~A secured

4 must file a proof of claim or interest for the claim or  
5 interest to be allowed, except as provided in Rules 1019(3),  
6 3003, 3004, and 3005. A lien that secures a claim against  
7 the debtor is not void due only to the failure of any entity to  
8 file a proof of claim.

9 (b) PLACE OF FILING. A proof of claim or

37                   failed to timely file the list of creditors' names  
38                   and addresses required by Rule 1007(a); or

39                   (B) the notice was insufficient under the  
40                   circumstances to give the creditor a reasonable

46                   (A) the proof of claim, together with the  
47                   attachments required by Rule 3001(c)(2)(C), is  
48                   filed not later than 60 days after the order for  
49                   relief is entered; and

50 (B) any attachments required by  
51 Rule 3001(c)(1) and (d) are filed as a supplement  
52 to the holder's claim not later than 120 days after  
53 the order for relief is entered.

#### **Committee Note**

Subdivision (a) is amended to clarify that a creditor, including a secured creditor, must file a proof of claim in order to have an allowed claim. The amendment also clarifies, in accordance with § 506(d), that the failure of a secured creditor to file a proof of claim does not render the creditor's lien void. The inclusion of language from § 506(d) is not intended to effect any change of law with respect to claims subject to setoff under § 553. The amendment preserves the existing exceptions to this rule under Rules 1019(3), 3003, 3004, and 3005. Under Rule 1019(3), a creditor does not need to file another proof of claim after conversion of a case to chapter 7. Rule 3003 governs the filing of a proof of claim in chapter 9 and chapter 11 cases. Rules 3004 and 3005 govern the filing of a proof of claim by the debtor, trustee, or another entity if a creditor does not do so in a timely manner.

Subdivision (c) is amended to alter the calculation of the bar date for proofs of claim in chapter 7, chapter 12, and chapter 13 cases. The amendment changes the time for filing a proof of claim in a voluntary chapter 7 case, a chapter 12 case, or a chapter 13 case from 90 days after the

§ 341 meeting of creditors to 60 days after the petition date. If a case is converted to chapter 12 or chapter 13, the 60-day time for filing runs from the order of conversion. In an involuntary chapter 7 case, a 90-day time for filing applies and runs from the entry of the order for relief.

Subdivision (c)(6) is amended to expand the exception to the bar date for cases in which a creditor received insufficient notice of the time to file a proof of claim. The amendment provides that the court may extend the time to file a proof of claim if the debtor fails to file a timely list of names and addresses of creditors as required by Rule 1007(a). The amendment also clarifies that if a court grants a creditor's motion under this rule to extend the time to file a proof of claim, the extension runs from the date of the court's decision on the motion.

Subdivision (c)(7) is added to provide a two-stage deadline for filing mortgage proofs of claim secured by an interest in the debtor's principal residence. Those proofs of claim must be filed with the appropriate Official Form mortgage attachment within 60 days of the order for relief. The claim will be timely if any additional documents evidencing the claim, as required by Rule 3001(c)(1) and (d), are filed within 120 days of the order for relief. The order for relief is the commencement of the case upon filing a petition, except in an involuntary case. See § 301 and § 303(h). The confirmation of a plan within the 120-day period set forth in subdivision (c)(7)(B) does not prohibit an objection to any proof of claim.

2 (a) ~~OBJECTIONS TO CLAIMS~~TIME AND  
3 MANNER OF SERVICE. An objection to the allowance  
4 of a claim and a notice of objection that substantially  
5 conforms to the appropriate Official Form shall be ~~in~~

7 scheduled hearing on the objection or any deadline for the  
8 claimant to request a hearing. ~~A copy of the objection with~~

10 ~~delivered to the claimant, the debtor or debtor in~~  
11 ~~possession, and the trustee at least 30 days prior to the~~

13 (1) on the claimant by first-class mail to the  
14 person most recently designated on the claimant's  
15 original or amended proof of claim as the person to  
16 receive notices, at the address so indicated; and

17                   (A) if the objection is to a claim of the  
18                   United States, or any of its officers or agencies,  
19                   in the manner provided for service of a summons  
20                   and complaint by Rule 7004(b)(4) or (5); or  
21                   (B) if the objection is to a claim of an  
22                   insured depository institution, in the manner  
23                   provided by Rule 7004(h); and  
24                   (2) on the debtor or debtor in possession and on  
25                   the trustee by first-class mail or other permitted  
26                   means.

27                   \* \* \* \* \*

### Committee Note

Subdivision (a) is amended to specify the manner in which an objection to a claim and notice of the objection must be served. It clarifies that Rule 7004 does not apply to the service of most claim objections. Instead, a claimant must be served by first-class mail addressed to the person that the claimant most recently designated on its proof of claim to receive notices, at the address so indicated. If, however, the claimant is the United States, an officer or

## 20 FEDERAL RULES OF BANKRUPTCY PROCEDURE

agency of the United States, or an insured depository institution, service must also be made according to the method prescribed by the appropriate provision of Rule 7004. The service methods for the depository institutions are statutorily mandated, and the size and dispersal of the decision-making and litigation authority of the federal government necessitate service on the appropriate United States attorney's office and the Attorney General, as well as the person designated on the proof of claim.

As amended, subdivision (a) no longer requires that a hearing be scheduled or held on every objection. The rule requires the objecting party to provide notice and an opportunity for a hearing on the objection, but, by deleting from the subdivision references to "the hearing," it permits local practices that require a claimant to timely request a hearing or file a response in order to obtain a hearing. The official notice form served with a copy of the objection will inform the claimant of any actions it must take. However, while a local rule may require the claimant to respond to the objection to a proof of claim, the court will still need to determine if the claim is valid, even if the claimant does not file a response to a claim objection or request a hearing.

8 (a) DETERMINATION OF AMOUNT OF CLAIM.

19 motion, in a claim objection, or in a plan filed in a  
20 chapter 12 or chapter 13 case. When the request is made in  
21 a chapter 12 or chapter 13 plan, the plan shall be served on  
22 the holder of the claim and any other entity the court  
23 designates in the manner provided for service of a  
24 summons and complaint by Rule 7004. A request to  
25 determine the amount of a claim entitled to priority may be  
26 made only by motion after a claim is filed or in a claim  
27 objection.

28 (c) CLAIMS OF GOVERNMENTAL UNITS. A  
29 request to determine the amount of a secured claim of a  
30 governmental unit may be made only by motion or in a  
31 claim objection after the governmental unit files a proof of  
32 claim or after the time for filing one under Rule 3002(c)(1)  
33 has expired.

**Committee Note**

This rule is amended and reorganized.

Subdivision (a) provides, in keeping with the former version of this rule, that a party in interest may seek a determination of the amount of a secured claim. The amended rule provides that the amount of a claim entitled to priority may also be determined by the court.

Subdivision (b) is added to provide that a request to determine the amount of a secured claim may be made in a chapter 12 or chapter 13 plan, as well as by a motion or a claim objection. When the request is made in a plan, the plan must be served on the holder of the claim and any other entities the court designates according to Rule 7004. Secured claims of governmental units are not included in this subdivision and are governed by subdivision (c). The amount of a claim entitled to priority may be determined through a motion or a claim objection.

Subdivision (c) clarifies that a determination under this rule with respect to a secured claim of a governmental unit may be made only by motion or in a claim objection, but not until the governmental unit has filed a proof of claim or its time for filing a proof of claim has expired.

10 (b) FILING OF CHAPTER 13 PLAN. The debtor  
11 may file a chapter 13 plan with the petition. If a plan is not  
12 filed with the petition, it shall be filed within 14 days  
13 thereafter, and such time may not be further extended  
14 except for cause shown and on notice as the court may  
15 direct. If a case is converted to chapter 13, a plan shall be  
16 filed within 14 days thereafter, and such time may not be

40 of this rule.

41 (f) OBJECTION TO CONFIRMATION;  
42 DETERMINATION OF GOOD FAITH IN THE  
43 ABSENCE OF AN OBJECTION. An objection to  
44 confirmation of a plan shall be filed and served on the  
45 debtor, the trustee, and any other entity designated by the  
46 court, and shall be transmitted to the United States trustee,  
47 ~~before confirmation of the plan~~at least seven days before  
48 the date set for the hearing on confirmation. An objection  
49 to confirmation is governed by Rule 9014. If no objection  
50 is timely filed, the court may determine that the plan has  
51 been proposed in good faith and not by any means

52 forbidden by law without receiving evidence on such  
53 issues.

54 (g) EFFECT OF CONFIRMATION. In a chapter 12  
55 or chapter 13 case, any determination made in accordance  
56 with Rule 3012 of the amount of a secured claim under §  
57 506(a) of the Code is binding on its holder, even if the  
58 holder files a contrary proof of claim under Rule 3002 or

73 transmitted to the United States trustee. A copy of the  
74 proposed modification, or a summary thereof, shall be  
75 included with the notice. ~~If required by the court, the~~

82 plan by subdivision (d) of this rule. Any objection to the  
83 proposed modification shall be filed and served on the  
84 debtor, the trustee, and any other entity designated by the  
85 court, and shall be transmitted to the United States trustee.

- 86 An objection to a proposed modification is governed by  
87 Rule 9014.

### **Committee Note**

This rule is amended and reorganized.

Subdivision (c) is amended to require use of an Official Form if one is adopted for chapter 13 plans. The amended rule also provides that nonstandard provisions in a chapter 13 plan must be set out in the section of the Official Form specifically designated for such provisions and identified in the manner required by the Official Form.

Subdivision (d) is amended to ensure that the trustee and creditors are served with the plan in advance of confirmation. Service may be made either at the time the plan is filed or with the notice under Rule 2002 of the hearing to consider confirmation of the plan.

Subdivision (f) is amended to require service of an objection to confirmation at least seven days before the hearing to consider confirmation of a plan. The seven-day notice period may be altered in a particular case by the court under Rule 9006.

Subdivision (g) is amended to provide that the amount of a secured claim under § 506(a) may be determined through a chapter 12 or chapter 13 plan in accordance with Rule 3012. That determination controls over a contrary proof of claim, without the need for a claim

objection under Rule 3007, and over the schedule submitted by the debtor under § 521(a). The amount of a secured claim of a governmental unit, however, may not be determined through a chapter 12 or chapter 13 plan under Rule 3012.

Subdivision (h) was formerly subdivision (g). It is redesignated and amended to clarify that service of a proposed plan modification must be made in accordance with subdivision (d) of this rule. The option to serve a summary of the proposed modification has been retained. Unless required by another rule, service under this subdivision does not need to be made in the manner provided for service of a summons and complaint by Rule 7004.

23 entity the court designates in the manner provided by  
24 Rule 7004 for service of a summons and complaint.

#### **Committee Note**

Subdivision (d) is added to provide a procedure by which a debtor in a chapter 12 or chapter 13 case may request an order declaring a secured claim satisfied and a lien released under the terms of a confirmed plan. A debtor may need documentation for title purposes of the elimination of a second mortgage or other lien that was secured by property of the estate. Although requests for such orders are likely to be made at the time the case is being closed, the rule does not prohibit a request at another time if the lien has been released and any other requirements for entry of the order have been met.

Other changes to this rule are stylistic.

1 **Rule 7001. Scope of Rules of Part VII**

2 An adversary proceeding is governed by the rules of  
3 this Part VII. The following are adversary proceedings:

4 \* \* \* \* \*

5 (2) a proceeding to determine the validity,  
6 priority, or extent of a lien or other interest in  
7 property, ~~other than~~but not a proceeding under  
8 Rule 3012 or Rule 4003(d);

9 \* \* \* \* \*

**Committee Note**

Subdivision (2) is amended to provide that the determination of the amount of a secured claim under Rule 3012 or the validity, priority, or extent of a lien under Rule 4003(d) does not require an adversary proceeding. The determination of the amount of a secured claim may be sought through a chapter 12 or chapter 13 plan in accordance with Rule 3012. Thus, a debtor may propose to eliminate a wholly unsecured junior lien in a chapter 12 or chapter 13 plan without a separate adversary proceeding. Similarly, the avoidance of a lien on exempt property may be sought through a chapter 12 or chapter 13 plan in accordance with Rule 4003(d). An adversary proceeding

36 FEDERAL RULES OF BANKRUPTCY PROCEDURE

continues to be required for lien avoidance not governed by Rule 4003(d).

1 **Rule 9009. Forms**

2 (a) OFFICIAL FORMS. ~~Except as otherwise~~  
3 ~~provided in Rule 3016(d), the~~The Official Forms prescribed  
4 by the Judicial Conference of the United States shall be  
5 ~~observed and used with alterations as may be~~  
6 ~~appropriate~~without alteration, except as otherwise provided  
7 in these rules, in a particular Official Form, or in the  
8 national instructions for a particular Official Form. ~~Forms~~  
9 ~~may be combined and their contents rearranged to permit~~  
10 ~~economies in their use.~~Official Forms may be modified to  
11 permit minor changes not affecting wording or the order of  
12 presenting information, including changes that

13 (1) expand the prescribed areas for responses in  
14 order to permit complete responses;

15 (2) delete space not needed for responses; or

16 (3) delete items requiring detail in a question or  
17 category if the filer indicates—either by checking

18 “no” or “none” or by stating in words—that there is

19 nothing to report on that question or category.

20 (b) DIRECTOR’S FORMS. The Director of the

21 Administrative Office of the United States Courts may

22 issue additional forms for use under the Code.

23 (c) CONSTRUCTION. The forms shall be

24 construed to be consistent with these rules and the Code.

#### Committee Note

This rule is amended and reorganized into separate subdivisions.

Subdivision (a) addresses permissible modifications to Official Forms. It requires that an Official Form be used without alteration, except when another rule, the Official Form itself, or the national instructions applicable to an Official Form permit alteration. The former language generally permitting alterations has been deleted, but the rule preserves the ability to make minor modifications to an Official Form that do not affect the wording or the order in which information is presented on a form. Permissible changes include those that merely expand or delete the space for responses as appropriate or delete inapplicable items so long as the filer indicates that no response is intended. For example, when more space will be necessary

to completely answer a question on an Official Form without an attachment, the answer space may be expanded. Similarly, varying the width or orientation of columnar data on a form for clarity of presentation would be a permissible minor change. On the other hand, many Official Forms indicate on their face that certain changes are not appropriate. Any changes that contravene the directions on an Official Form would be prohibited by this rule.

The creation of subdivision (b) and subdivision (c) is stylistic.

## Chapter 13 Plan

12/16

### Part 1: Notices

**To Debtors:** This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances or that it is permissible in your judicial district. *In the following notice to creditors, you must check each box that applies.*

**To Creditors:** Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney, if you have one in this bankruptcy case. If you do not have an attorney, you may wish to consult one.

If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must file an objection to confirmation at least 7 days before the date set for the hearing on confirmation, unless otherwise ordered by the Bankruptcy Court. The Bankruptcy Court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. In addition, you may need to file a timely proof of claim in order to be paid under any plan.

The following matters may be of particular importance to you. **Boxes must be checked by debtor(s) if applicable.**

- The plan seeks to limit the amount of a secured claim, as set out in Part 3, Section 3.2, which may result in a partial payment or no payment at all to the secured creditor.
- The plan requests the avoidance of a judicial lien or nonpossessory, nonpurchase-money security interest as set out in Part 3, Section 3.4.
- The plan sets out nonstandard provisions in Part 9.

### Part 2: Plan Payments and Length of Plan

**2.1 Debtor(s) will make regular payments to the trustee as follows:**

\$ \_\_\_\_\_ per \_\_\_\_\_ for \_\_\_\_\_ months  
[and \$ \_\_\_\_\_ per \_\_\_\_\_ for \_\_\_\_\_ months.] *Insert additional lines if needed.*

If fewer than 60 months of payments are specified, additional monthly payments will be made to the extent necessary to make the payments to creditors specified in Parts 3 through 6 of this plan.

**2.2 Regular payments to the trustee will be made from future earnings in the following manner:**

*Check all that apply.*

- None.** If "None" is checked, the rest of § 3.1 need not be completed or reproduced.
- The debtor(s) will maintain the contractual installment payments on the claims listed below, with any changes required by the applicable contract, and cure any default in payments on the secured claims listed below. The allowed claim for any arrearage amount will be paid under the plan, with interest, if any, at the rate stated. Unless otherwise ordered by the court, the amounts listed on a proof of claim or modification of a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) control over any contrary amounts listed below as to the current installment payment and arrearage. If relief from the automatic stay is ordered as to any item of collateral listed in this paragraph, then, unless otherwise ordered by the court, all payments under this paragraph as to that collateral will cease and all secured claims based on that collateral will no longer be treated by the plan. The final column includes only payments disbursed by the trustee rather than by the debtor.

The debtor(s) request that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the debtor(s) state that the value of the secured claim should be as stated below in the column headed *Amount of secured claim*. For secured claims of governmental units, unless otherwise ordered by the court, the amounts listed in proofs of claim filed in accordance with the Bankruptcy Rules control over any contrary amounts listed below. For each listed secured claim, the controlling amount of the claim will be paid in full under the plan with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the column headed *Amount of secured claim* will retain the lien until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor. See Bankruptcy Rule 3015.

- (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value.

These claims will be paid in full under the plan with interest at the rate stated below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim or modification of a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. ### Committee Note

Official Form 113 is new and is the required plan form in all chapter 13 cases. *See* Bankruptcy Rule 3015. Alterations to the text of the form or the order of its provisions, except as permitted by the form itself, must comply with Bankruptcy Rule 9009. As the form explains, spaces for responses may be expanded or collapsed as appropriate, and sections that are inapplicable do not need to be reproduced. Portions of the form provide multiple options for provisions of a debtor's plan, but some of those options may not be appropriate in a given debtor's situation or may not be allowed in the court presiding over the case. Debtors are advised to refer to applicable local rulings.

*Part 1.* This part sets out warnings to both debtors and creditors. For creditors, if the plan includes one or more of the provisions listed in this part, the appropriate boxes must be checked. For example, if Part 9 of the plan proposes a provision not included in, or contrary to, the Official Form, that nonstandard provision will be ineffective if the appropriate check box in Part 1 is not selected.

*Part 2.* This part states the proposed periodic plan payments, the estimated total plan payments, and sources of funding for the plan. Section 2.1 allows the debtor or debtors to propose periodic payments in other than monthly intervals. For example, if the debtor receives a paycheck every week and wishes to make plan payments from each check, that should be indicated in § 2.1. If the debtor proposes to make payments according to different "steps," the amounts and intervals of those payments should also be indicated in § 2.1. Section 2.2 provides for the manner in which the debtor will make regular payments to the trustee. If the debtor selects the option of making payments pursuant to a payroll deduction order, that selection serves as a request by the debtor for entry of the order. Whether to enter a payroll deduction order is determined by the court. *See* Code § 1325(c). If the debtor selects the option of making payments other than by direct payments to the trustee or by a payroll deduction order, the alternative method (*e.g.*, a designated third party electronic funds transfer program) must be specified.

*Part 3.* This part provides for the treatment of secured claims.

Section 3.1 provides for the treatment of claims under Code § 1322(b)(5) (maintaining current payments and curing any arrearage). For the claim of a secured creditor listed in § 3.1, an estimated arrearage amount should be given. A contrary arrearage amount listed on the creditor's proof of claim, unless contested by objection or motion, will control over the amount given in the plan.

In § 3.2, the plan may propose to determine under Code § 501(a) the value of a secured claim. For example, the plan could seek to reduce the secured portion of a creditor's claim to the value of the collateral securing it. For the secured claim of a non-governmental creditor, that determination would be binding upon confirmation of the plan. For the secured claim of a governmental unit, however, a contrary valuation listed on the creditor's proof of claim, unless contested by objection or motion, would control over the valuation given in the plan. *See* Bankruptcy Rule 3012. Bankruptcy Rule 3002 contemplates that a debtor, the trustee, or another entity may file a proof of claim if the creditor does not do so in a timely manner. *See* Bankruptcy Rules 3001 and 3005. Section 3.2 will not be effective unless the appropriate check box in Part 1 is selected.

Section 3.3 deals with secured claims that may not be bifurcated into secured and unsecured portions under Code § 501(a), but it allows for an interest rate other than the contract rate to be applied to payments on such a claim. If appropriate, a claim may be treated under § 3.1 instead of § 3.3.

In § 3.4, the plan may propose to avoid certain judicial liens or security interests encumbering exempt property in accordance with Code § 522(f). This section includes space for the calculation of the amount of the judicial lien or security interest that is avoided. A plan proposing avoidance in § 3.4 must be served in the manner provided by Bankruptcy Rule 7003 for service of a summons and complaint. *See* Bankruptcy Rule 7003. Section 3.4 will not be effective unless the appropriate check box in Part 1 is selected.

Section 3.5 provides for elections to surrender collateral and consent to termination of the stay under § 362(a) and § 1301 with respect to the collateral

surrendered. Termination will be effective upon confirmation of the plan.

*Part 11* This part provides for the treatment of trustee's fees and claims entitled to priority status. Section 11.1 provides that trustee's fees and all allowed priority claims (other than those domestic support obligations treated in § 11.5) will be paid in full. In § 11.2, the plan lists an estimate of the trustee's fees. Although the estimate may indicate whether the plan will be feasible, it does not affect the trustee's entitlement to fees as determined by statute. In § 11.3, the form requests the balance of attorney's fees owed. Additional details about payments of attorney's fees, including information about their timing and approval, are left to the requirements of local practice. In § 11.4, the plan calls for an estimated amount of priority claims. A contrary amount listed on the creditor's proof of claim, unless changed by court order in response to an objection or motion, will control over the amount given in § 11.4. In § 11.5, the plan may propose to pay less than the full amount of a domestic support obligation that has been assigned to, or is owed to, a governmental unit, but not less than the amount that claim would have received in a chapter 11 liquidation.

*Part 12* This part provides for the treatment of unsecured claims that are not entitled to priority status. In § 12.2, the plan may propose to pay nonpriority unsecured claims in accordance with several options. One or more options may be selected. For example, the plan could propose simply to pay unsecured creditors any funds remaining after disbursements to other creditors, or also provide that a defined percentage of the total amount of unsecured claims will be paid. In § 12.3, the plan may provide for the separate classification of nonpriority unsecured claims (such as codebtor claims) as permitted under Code § 1322(b)(1).

*Part 13* This part provides for executory contracts and unexpired leases. An executory contract or unexpired lease is rejected unless it is listed in this part. If the plan proposes neither to assume nor reject an executory contract or unexpired lease, that treatment would have to be set forth as a nonstandard provision in Part 9.

*Part*  This part provides an order of distribution of payments under the plan. Other than the trustee's fees, the order of distribution is left to be completed by the debtor in keeping with the requirements of the Code. The debtor may instead elect to have the trustee direct the order of distribution.

*Part*  This part defines when property of the estate will revert in the debtor or debtors. One choice must be selected  upon plan confirmation, upon closing the case, or upon some other specified event. This plan provision is subject to a contrary court order under Code § 132  **b**).

*Part*  This part gives the debtor or debtors the opportunity to propose provisions that are not otherwise in, or are contrary to, the Official Form. All such nonstandard provisions must be set forth in this part and nowhere else in the plan. This part will not be effective unless the appropriate check box in Part 1 is selected. *See* Bankruptcy Rule 3015.

*Part 1*  The plan must be signed by the attorney for the debtor or debtors. If the debtor or debtors are not represented by an attorney, they must sign the plan, but the signature of represented debtors is optional.

FDRA RULES OF BANKRUPTCY PROCEDURE

will be paid by the trustee or directly by the debtor. The reference to § 1322(b)(5) of the Code is deleted to make clear that the rule applies even if there is no prepetition arrearage to be cured. So long as a creditor has a claim that is secured by a security interest in the debtor's principal residence and the plan provides that contractual payments on the claim will be maintained, the rule applies.

Subdivision (a) is further amended to provide that, unless the court orders otherwise, the notice obligations imposed by this rule cease on the effective date of an order granting relief from the automatic stay with regard to the debtor's principal residence. Debtors and trustees typically do not make payments on mortgages after the stay relief is granted, so there is generally no need for the holder of the claim to continue providing the notices required by this rule. Sometimes, however, there may be reasons for the debtor to continue receiving mortgage information after stay relief. For example, the debtor may intend to seek a mortgage modification or to cure the default. When the court determines that the debtor has a need for the information required by this rule, the court is authorized to order that the notice obligations remain in effect or be reinstated after the relief from the stay is granted.

### Committee Note

Subdivision (f) is amended to remove service by electronic means under Civil Rule 5(b)(2)(C) from the modes of service that allow three added days to act after being served.

Rule 900(f) and Civil Rule (d) contain similar provisions providing additional time for actions after being served by mail or by certain modes of service that are identified by reference to Civil Rule 5(b)(2). Rule 900(f) like Civil Rule (d) is amended to remove the reference to service by electronic means under Rule 5(b)(2)(C). The amendment also adds clarifying parentheticals identifying the forms of service under Rule 5(b)(2) for which three days will still be added.

Civil Rule 5(b) made applicable in bankruptcy proceedings by Rules 7005 and 901(b) was amended in 2001 to allow service by electronic means with the consent of the person served. Although electronic transmission seemed virtually instantaneous even then, electronic service was included in the modes of service that allow three added days to act after being served. There were concerns that the transmission might be delayed for some time, and particular concerns that incompatible systems might make it difficult or impossible to open attachments. Those concerns have been substantially alleviated by advances in technology and widespread skill in using electronic transmission.

A parallel reason for allowing the three added days was that electronic service was authorized only with the

## 2 FEDERAL RULES OF BANKRUPTCY PROCEDURE

consent of the person to be served. Concerns about the reliability of electronic transmission might have led to refusals of consent—the three added days were calculated to alleviate these concerns.

Diminution of the concerns that prompted the decision to allow the three added days for electronic transmission is not the only reason for discarding this indulgence. Any rules have been changed to ease the task of computing time by adopting 1-, 2-, and 3-day periods that allow “day-of-the-week” counting. Adding three days at the end complicated the counting, and increased the occasions for further complication by invoking the provisions that apply when the last day is a Saturday, Sunday, or legal holiday.

Eliminating Rule 5(b) subparagraph (2)(B) from the modes of service that allow three added days means that the three added days cannot be retained by consenting to service by electronic means. Consent to electronic service in registering for electronic case filing, for example, does not count as consent to service “by any other means” of delivery under subparagraph (F).

### **Committee Note**

The form is abrogated. Former Official Form 11A, although abrogated as an Official Form, continues to be available as a Director's Procedural Form.

Parties routinely modify the General Power of Attorney form to conform to state law, the needs of the case, or local practice. The exact language of the form is not needed. The proposed amendment to Rule 9009, however, restricts alteration of the Official Forms, except as provided in the rules or in a particular Official Form.

The Director's Procedural Forms are issued by the Director of the Administrative Office pursuant to Rule 9009 as an accommodation for the courts and parties. The procedural forms may be altered as needed and their use is not mandatory, unless required by local rule.

### **Committee Note**

*Schedule J: Your Expenses* (Official Form 106J), formerly Official Form 6J, has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated. Schedule J is also renumbered to conform to the three digit numbering system that was developed for official bankruptcy forms as part of the Forms Modernization Project.

Schedule J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

### Committee Note

Official Form 201, *Voluntary Petition for Non-Individuals Filing for Bankruptcy*, replaces Official Form 1, *Voluntary Petition*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 201 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records.

Official Form 201 has been substantially reformatted and reorganized. References to Exhibits B, C, and D, and the exhibits themselves, have been eliminated because the requested information is now asked in the form or is not applicable to non-individual debtors. Official Form 201A, *Attachment to Voluntary Petition for Non-Individuals Filing for Bankruptcy Under Chapter 11*, has replaced Exhibit A. The debtor is instructed to file Official Form 201A if the debtor is filing under chapter 11 and is required to file periodic reports with the Securities and Exchange Commission. A checkbox has been added to the form to indicate whether it is an amended filing.

In question 2, *All other names debtor used in the last years*, instructions pertaining only to individuals have been deleted, and an instruction to include *doing business as* names and assumed names has been added. In question 3, *debtor's federal Employee Identification Number (EIN)*, references to social security numbers and individual taxpayer I.D. numbers have been deleted. In question 4, *debtor's address*, the order of listing the various addresses for the debtor has been rearranged, and an address for the location of principal assets is required if different from the principal place of business. Also, the form has been revised to include a space for listing the debtor's website in question 5.

In question 6, *Type of debtor*, options pertaining only to individual debtors have been deleted, and an instruction that the *partnership* option does not include *LLPs* has been added. Question 7, *Describe debtor's business*, is revised to include a statutory citation for each business type, to add an option for *none of the above*, and to delete the option for *other*. A new instruction requires the debtor to indicate if the debtor is an investment company, including a hedge fund or pooled investment vehicle, an investment advisor, or a tax exempt entity. The definition of *tax exempt entity* has been removed and replaced with a statutory citation. Additionally, an instruction has been added to require the debtor to list its *North American Industry Classification System (NAICS) digit code*. A hyperlink is provided for information on finding the correct code.

In question 8 *Under which chapter of the Bankruptcy Code is the debtor filing*, several separate boxes have been combined, and the options for Chapter 11 and Chapter 12 have been deleted. More detailed options have been added for Chapter 11. The question regarding the nature of the debtor's debts has been removed.

Question 9, *Were prior bankruptcy cases filed by or against the debtor within the last years*, has been revised

to instruct the debtor to include prior bankruptcy cases filed against the debtor and to list the district rather than location of the prior filings. In Question 10, *Are any bankruptcy cases pending or being filed by a business partner or an affiliate of the debtor*, the reference to spouse and the requirement to list the judge in any other cases have been removed.

Question 11, *Why is venue proper in this district*, has been revised to delete references that pertain only to individuals.

Question 12, *Does the debtor own or have possession of any real property or personal property that needs immediate attention*, replaces Exhibit C from Official Form 1. The category of *property that needs immediate attention* has been added, as well as options to indicate why the property needs immediate attention. Additionally, the form has been revised to require the debtor to list the location of the property and whether or not the property is insured and, if so, the insurance details.

*Statistical and administrative information* has been moved to immediately above the signature line, and the reference to exempt property has been removed. The maximum values for *Estimated Assets* and *Estimated Liabilities* have been increased from *more than \$1 billion* to *more than \$10 billion*. *Request for relief* and *Signatures* has been reformatted and the signature lines for individual debtors and non-attorney bankruptcy petition preparers have been removed.

### Committee Note

Official Form 202, *Declaration Under Penalty of Perjury for Non-Individual Debtors*, replaces Official Form 2, *Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership*, and the section of Official Form 6 Declaration, *Declaration Concerning Debtor's Schedules* containing a corporation's or partnership's declaration. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 202 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

Official Form 202 has been substantially reformatted and reorganized with elements from both Official Form 2 and the section of Official Form 6 for a corporation or partnership. Instructions have been added, along with warning language regarding bankruptcy fraud. Checkboxes are provided so the declaration will indicate the schedules included with the declaration or, if the declaration accompanies another document, a description of the attached document. The phrase "to the best of my information and belief" has been deleted from the declaration in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008. The form, however, includes a statement that the person signing the declaration has examined the information in the documents subject to the declaration and has "a reasonable belief that the information is true and correct." Finally, the person signing the declaration must indicate his or her position or relationship to the debtor.

A list of creditors holding the 20 largest unsecured claims must be filed in a Chapter 11 or Chapter 9 case. Include claims which the debtor disputes. ### Committee Note

Official Form 204, *Chapter 11 or Chapter 12 Cases*, *List of Creditors Who Have the Largest Unsecured Claims and Are Not Insiders*, replaces Official Form 4, *List of Creditors Holding Largest Unsecured Claims*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 204 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records.

Official Form 204 has been reformatted and reorganized. The instructions have been shortened and revised to include a full cite to the definition of “insider” and a revised explanation of when to include a secured creditor’s unsecured claim. The warning regarding the disclosure of a minor child’s name has been deleted as a caution has been added to the general instructions for all forms regarding listing a minor child’s name.

The heading of the second column of the form has been revised to require the “name, telephone number, and email address of creditor contact,” eliminating the need to provide a complete mailing address for the creditor contact.

Additional examples of “nature of claim” have been provided in the third column. In the fourth column, “subject to setoff” has been removed as an option.

The fifth column has been revised to include three separate potential entries to be used to list the value of the unsecured claim: the total claim, if partially secured; the deduction for value of collateral or setoff; and unsecured claim. The new instructions for the fifth column contain an explanation that if a claim is a fully unsecured claim, only the final sub-column needs to be completed, and that all of the columns must be completed if a claim is partially secured.

The signature line and the instruction to include a declaration have been deleted from the form.

### Committee Note

Official Form 205, *Involuntary Petition Against a Non-Individual*, replaces Official Form 5, *Involuntary Petition*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 205 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records.

Part 1, *Identify the Chapter of the Bankruptcy Code Under Which Petition is Filed*, has been moved to the beginning of the form.

In Part 2, *Identify the Debtor*, instructions pertaining only to individuals have been deleted, and an instruction to include doing-business-as names and assumed names has been added. The references to social security numbers and individual taxpayer I.D. numbers have been deleted. The order of listing the various addresses for the debtor have been rearranged in Line 5, and an address for the location of principal assets is required if different from the principal place of business.

The form has been revised to include a space for listing the debtor's website in Line 10.

Also in Part 2, the options for type of debtor that pertained only to individuals have been deleted, and an instruction that the "partnership" option does not include LLPs has been added. The options regarding the type of debtor's business have been revised to include a statutory citation for each business type, to add an option for "none of the above," and to delete the option for "other." The question regarding pending bankruptcy cases has been revised to remove the reference to spouse and the requirement to list the judge in any other cases.

In Part 3, *Report about the Case*, the question regarding venue has been revised in Line 10 to read "Over the past 180 days before the filing of this bankruptcy, the debtor had a domicile, principal place or business, or principal assets in this district longer than in any other district." In the question for Allegations, "each" has been added to the first allegation, the exact citation to the bankruptcy code has been provided for the second allegation, and checkboxes have been provided for the last allegation. Also, in Line 12, petitioners must check "yes" or "no" to answer whether there has been any transfer of any claim against the debtor by or to a petitioner.

The information regarding the petitioner's claims has been moved to Part 4, and the portion listing the amount of the claim is amended to ask about the amount of the claim that exceeds the value of the lien, if any.

Part 5, *Swear under Oath*, has been amended to include a warning about making a false statement, and the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. 1847. A statement has been added that each petitioner, or the petitioner's representative, has reviewed the information in the petition and has "a reasonable belief that the information is true and correct." A requirement has

been added for each petitioner's mailing address. Also, petitioners' attorneys must provide their email addresses, bar number, and state of bar membership.

**Schedule A/B: Assets — Real and Personal Property**

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases with a net value. Also list them on *Schedule D: Executor Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

### Committee Note

The schedules to be used in cases of non-individual debtors have been revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals eliminate questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records. The non-individual debtor schedules are also renumbered, starting with the number 206 and followed by the letter or name of the schedule to distinguish them from the versions to be used in individual cases. Each form includes a checkbox to indicate whether it is an amended filing.

**Official Form 206Sum**, *Summary of Assets and Liabilities for Non-Individuals*, replaces Official Form 6, *Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159)*, in cases of non-individual debtors. The form is reformatted and updated with cross-references indicating the line numbers from specific schedules from which the summary information is to be gathered, and the Statistical Summary is deleted because it only applies to individual debtors. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

**Official Form 206A/B, Schedule A** *Assets* *Real and Personal Property*, consolidates information about a non-individual debtor's real and personal property into a single form and replaces Official Form 6A - *Real Property* and Official Form 6B - *Personal Property*, in cases of non-individual debtors. The layout and categories of property on Official Form 206A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses eleven categories of property types. For each part, the specific items are broken out and debtors are instructed to total the part and list the total on a specific line later in the form.

Part 1 *Cash and cash equivalents*, includes cash and cash equivalents and a shortened list of examples. All financial assets other than cash or cash equivalents are moved to Part *Investments*. In the section to list checking, savings, money market, or financial brokerage accounts, debtors are instructed to include the name of the institution and the last digits of any account number.

In Part 2 *Deposits and Prepayments*, adds prepayments and examples. A requirement has been added to include the name of the holder of any deposit.

Part *Accounts receivable*, has been revised to divide accounts receivable into two categories depending on age and asks for separate values for the two categories.

Part *Investments*, has been expanded and includes more detail.

Part 5 *Inventory including agricultural assets*, has been amended to separate non-agricultural from agricultural assets, and has been expanded to include more detail. Categories of inventory are listed, and debtors must include the last date of physical inventory, the net book value of debtor's interest (if available), the valuation method used for current value, and the current value of debtor's interest. The form has been further amended to

require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

In Part 6: *Agricultural assets (other than titled motor vehicles and land)*, the form has been amended to require more detailed responses and to require the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. A requirement to list fishing supplies has been added. The form has been further amended to require the debtor to indicate whether the properties listed are perishable, whether any of the property was purchased within 20 days of the bankruptcy filing, whether a depreciation schedule is available for any of the property listed, and whether any of the property was appraised by a professional within the year prior to the bankruptcy filing.

Part 7: *Office furniture, fixtures, and equipment; and collectibles*, has been amended to combine several categories of assets and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. Examples of collectibles are provided. The form has been further amended to require the debtor to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 8: *Machinery, equipment, and vehicles*, has been amended to combine several categories of property and to require more detail, including requiring the debtor to indicate the net book value of the debtor's interest, the valuation method used for current value, and the current value of debtor's interest. More examples are provided for each property type. The form has been further amended to

indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 1: *Real property*, includes the elements of Official Form 6A, *Real property*, and has been amended to expand the required information to include the net book value of the debtor's interest and the valuation method used for current value. Also, an instruction has been added for the description and location of the property. The form has been further amended to indicate whether a depreciation schedule is available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 2: *Intangibles and intellectual property*, includes amendments to combine several categories of property and to include more property types. The debtor is required to list the net book value of the debtor's interest and the valuation method used for current value. The question regarding personally identifiable information has been revised, and the form has been amended to require the debtor to indicate if there is an amortization schedule or similar schedule available for any property listed and whether any of the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 3: *All other assets*, includes a new category for notes receivable, which requires a description, including the name of the obligor, the face amount, and any uncollectible amount. In addition, the form has been amended to combine tax refunds and net operating losses into a single question and to require more detail, to delete the requirement to list the insurance company name for any interests in insurance policies, to expand the question regarding contingent and unliquidated claims, and to include examples of other property. The form has been further amended to include a question regarding whether

the property listed was appraised by a professional within the year prior to the bankruptcy filing.

Part 2, *Summary*, has been amended to list relevant line numbers for each type of property.

**Official Form 206D**, *Schedule of Creditors Who Hold Secured Claims by Property*, replaces Official Form 6D, *Creditors Holding Secured Claims*, for non-individual debtors and has been revised to eliminate instructions that pertain only to individuals. The form has been further amended to instruct debtors that if a creditor has more than one secured claim, to list the creditor separately for each claim—to list the creditor’s email address, if known—to indicate if multiple creditors have an interest in the same collateral—to list the order of each creditor’s priority interest in the collateral—and to indicate whether the creditor is an insider or related party. The debtor is also instructed to describe the lien and to fill out *Schedule of Debtors*, if anyone else is liable on the claim. A new category for describing claims has been added—unliquidated and neither contingent nor disputed—finally, the form has been amended to require the debtor to list the value of the debtor’s property that secures the claim.

A new Part 2: *List Others to be Notified for a Debt Already Listed in Part 1* has been added, with instructions to list any others who must be notified about the bankruptcy for a debt listed in Part 1 of the form. Examples are provided. The debtor must include the relevant line from Part 1 and the last 4 digits of the account number for the entity.

A new Part 3 *Total Amounts of Claims and the Unsecured Portion of Claims*, has been added.

**Official Form 206E/F**, *Schedule of Creditors Who Hold Unsecured Claims*, has been amended to combine Official Form 6E, *Schedule of Creditors Holding Unsecured Priority Claims* and Official Form 6F, *Schedule*

*creditors holding unsecured nonpriority claims* for nonindividual debtors. Priority unsecured claims are listed in Part 1, and nonpriority unsecured claims are listed in Part 2. The instructions have been revised to require the debtor to list the other party to any executory contract or unexpired lease on this schedule and on *Schedule A Real and Personal Property* and *Schedule D Executory Contracts and Unexpired Leases* Official Forms 206A and 206.

Part 1, *List All Creditors with O Unsecured Claims*, has been revised to delete the requirement to list the amount not entitled to priority and to add requirements to specify the Code section for the priority unsecured claim and whether the claim is subject to offset. A new category of liquidated and neither contingent nor disputed has been added to Part 2, *List All Creditors with O Unsecured Claims*, along with the requirement to indicate if the claim is subject to offset. The instructions have also been significantly shortened. Part 3, *List Others to be Notified About Unsecured Claims*, has been added, with instructions to list any others that the debtor wants to notify about claims listed in Parts 1 and 2. Examples are given. The debtor must include the relevant line from Part 1 or 2 and the last 4 digits of the account number for the entity. A new Part 4 *Total Amounts of the Priority and Nonpriority Unsecured Claims* has been added.

**Official Form 206**, *Schedule D Executory Contracts and Unexpired Leases*, replaces Official Form 6 *Executory Contracts and Unexpired Leases* for nonindividual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general instructions for all forms regarding listing a minor child's name. A new requirement has been added to state the remaining term for any contract or lease listed.

**Official Form 206**, *Schedule of Creditors*, replaces Official Form 6 *Schedule of Creditors* for non-individual debtors. The form has been amended to delete the instruction regarding the listing of a minor child's name from the form as a caution is included in the general instructions for all forms regarding listing a minor child's name. A new requirement is added to indicate by checkbox what schedule applies to each co-debtor.

**Exemptions and Income and Expenses** There are no Official Forms for Schedules B, I, and J in non-individual debtor cases. There is no need for an Official Form 206 for non-individual debtors because exemptions are inapplicable to non-individual debtors. And, although section 541(a) of the Bankruptcy Code requires all debtors, including non-individual debtors, to provide schedules of income and expenses, uncertainty about the state of the debtor's business on the petition date—whether it is operating or not, for example—makes it difficult to create standard income and expense forms for non-individual debtors. Some bankruptcy courts have adopted local rules and forms for reporting the income and expenses of non-individual debtors, and Director's Procedural Forms 2060I and 2060J can be used and modified as appropriate if there are no applicable local rules and forms.

**Declaration** There is no Official Form 206, Declaration. ### Committee Note

Official Form 207, *Statement of Financial Affairs for Non-Individuals Filing for Bankruptcy*, replaces Official Form 7, *Statement of Financial Affairs*, for non-individual debtors. It is renumbered to distinguish it from the forms used by individual debtors and includes formatting and stylistic changes throughout the form.

Official Form 207 is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reducing the need to produce the same information in multiple formats.

The Forms Modernization Project made a preliminary decision that separate forms should be created for individual debtors and for non-individual debtors because separate areas of inquiry apply to each group. The forms for non-individuals do not include questions that pertain only to individuals and use a more open-ended response format. Also, where possible, the forms for non-individuals parallel how businesses commonly keep their financial records.

The form is derived from Official Form 7, *Statement of Financial Affairs*, and has been substantially reorganized. The form is divided into 14 sections grouping similar questions together. Many of the instructions have been shortened, and questions and instructions pertaining to individual debtors have been deleted. The instructions at the beginning of the form have been shortened, and the definitions deleted or moved to other parts of the form.

In Part 1, *Income*, the questions regarding gross revenue from business and non-business revenue have been consolidated, and checkboxes have been added to indicate the source of revenue. A definition of gross revenue has

been added. Also, the debtor is instructed to include revenue only once.

In Part 2, *List Certain Transfers Made Before Filing for Bankruptcy*, information that pertains only to individuals has been eliminated, and the questions related to payments made in the 90 days prior to bankruptcy, payments made to insiders within one year prior to bankruptcy, repossessions, and setoffs have been consolidated. Instructions have been added to include expense reimbursements in answer to the questions regarding payments and to exclude regular employee compensation from the question regarding payments within 90 days. A dollar limitation has been added to the instructions for the question regarding payments to insiders. Checkboxes have been added to both questions to provide a reason for the payment, and the explanation that the dollar limitation changes every three years has been moved to the instructions from the footnotes. Amount still owing has been removed, and a definition of insider has been added along with a statutory citation to the question regarding insiders. Partnerships have been added to examples of insiders. The question regarding setoffs includes a revised definition and has been revised to require that the debtor provide a description of the creditor's actions and the last four digits of any account number.

In Part 3, *Legal Actions or Assignments*, several questions have been consolidated, instructions pertaining only to individuals have been removed, and additional examples have been added. Checkboxes have been added to indicate the status of the legal action. The requirement to list the terms of any assignment or settlement has been removed.

In Part 4, *Certain Gifts and Charitable Contributions*, instructions pertaining only to individuals have been removed, and the reporting threshold has been changed to \$1,000 per recipient. The look-back period has been increased from one to two years.

Part 6, *Certain Losses*, has been revised to expand the types of payments for losses, and an instruction has been added to list unpaid claims on Official Form 207A, *Schedule A/B Assets Real and Personal Property*. Portions of the instructions that pertain only to individuals have been removed. Losses due to gambling have been excluded from this part.

In Part 6, *Certain Payments or Transfers*, the questions regarding payments related to bankruptcy, payments to self-settled trusts, and other payments or transfers have been consolidated. Instructions and questions that relate only to individuals have been eliminated. An instruction has been added to include payments related to restructuring, and the email or website of the person who received the money or transfer is added as a requirement. In response to the question regarding self-settled trusts and other transfers not already listed, debtors are instructed to include payments or transfers of property made by a person acting on behalf of the debtor. A requirement has been added to the question regarding self-settled trusts to list the name of the trustee. The relationship to the debtor must be included for all transfers not already listed, as well as any debts paid in exchange. There is a reminder added not to include transfers already listed.

Part 7, *Previous Locations*, has been revised in the instructions, and information pertaining only to individuals has been deleted.

Part 8, *Healthcare Bankruptcies*, is new. Part 8 requires additional information if the debtor is primarily engaged in offering services and facilities for diagnosing or treating injury, deformity, or disease or providing any surgical, psychiatric, drug treatment or obstetric care. This part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

Part 9, *Personally Identifiable Information*, is also new and includes questions about pension and profit sharing plans and adds a question about whether the debtor collects and retains personally identifiable information of customers. Questions are added about whether the debtor is the plan administrator of any pension or profit sharing plan and if any such plan is terminated. Similar to Part 9, this part has been added to comply with the special requirements imposed by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005.

In Part 10, *Certain Financial Accounts, Safe Deposit Boxes, and Storage Units*, money market accounts have been added to the examples provided for the question regarding financial accounts, and checkboxes have been added to indicate the type of account. The requirement of the date of surrender of any safe deposit box has been removed. A question has been added about whether the debtor has property kept in storage units or warehouses within one year of filing, and the debtor must provide the facility name and address, the name and address of anyone with access to the facility, the description of the contents, and whether the debtor still has the storage unit or warehouse. Facilities that are in a part of a building in which the debtor does business are excluded.

In Part 11, *Property the Debtor Holds or Controls That the Debtor Does Not Own*, an instruction has been added to include any property borrowed from, being stored for, or held in trust, and to exclude leased or rented property.

Part 12, *Details About Environmental Information*, has been revised to include new definitions of environmental law, site, and hazardous materials. An instruction to report all notices, releases, and proceedings known, regardless of when they occurred, has been added.

In Part 1, *Details About the Debtor's Business or Connections to Any Business*, questions regarding various business issues have been consolidated, and instructions that pertain only to individuals have been eliminated. The five-percent ownership limitation has been eliminated. The phrase "kept or supervised the keeping of books or account and records" has been replaced with "maintained the debtor's books and records." The instructions for the question regarding auditing or preparation of financial records have been revised to add compiling and reviewing the debtor's books of account and records. A requirement has been added to explain if the debtor's books of account and records are unavailable. The questions regarding current and former officers, directors, managing members, general partners, members in control, or controlling shareholders have combined the formerly separate corporate and partnership questions. The question regarding former officers and partners has been changed to add the requirement of indicating the start and end dates for each listing. The instruction for withdrawals from a partnership or distribution by a corporation has been changed to add salary, other compensation, and draws to the list of examples.

In Part 14, *Signature and Declaration*, the declaration under penalty of perjury has been revised in order to conform to the language of 28 U.S.C. § 174 and Rule 100. A statement has been added that the individual signing on behalf of the debtor has reviewed the information in the Statement of Financial Affairs and any attachments and has "a reasonable belief that the information is true and correct." The signature boxes for bankruptcy petition preparers have been eliminated, and checkboxes for the debtor to indicate whether additional pages are attached to the form have been added.

### Notice of Chapter 7 Bankruptcy Case — No Proof of Claim Deadline 12/15

For the debtors listed above, a case has been filed under chapter 7 of the Bankruptcy Code. An order for relief has been entered.

**This notice has important information about the case for creditors, debtors, and trustees. Read it carefully.**

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors or the debtors' property. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

The debtors are seeking a discharge. Creditors who assert that the debtors are not entitled to a discharge of any debts or who want to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadlines specified in this notice. (See line 9 for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at [www.pacer.gov](http://www.pacer.gov)).

**The staff of the bankruptcy clerk's office cannot give legal advice.**

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

 Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits the creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

**7.  Proof of claim deadline****Deadline for filing proof of claim:**

[Not yet set. If a deadline is set, the court will send you another notice.] or

[date, if set by the court]]

A proof of claim is a signed statement describing a creditor's claim. If a proof of claim form is not included with this notice, obtain one at [www.uscourts.gov](http://www.uscourts.gov) or any bankruptcy clerk's office.

Your claim will be allowed in the amount scheduled unless:

- your claim is designated as *disputed*, *contingent*, or *unliquidated*;
- you file a proof of claim in a different amount; or
- you receive another notice.

If your claim is not scheduled or if your claim is designated as *disputed*, *contingent*, or *unliquidated*, you must file a proof of claim or you might not be paid on your claim and you might be unable to vote on a plan. You may file a proof of claim even if your claim is scheduled.

You may review the schedules at the bankruptcy clerk's office or online at [www.pacer.gov](http://www.pacer.gov).

Secured creditors retain rights in their collateral regardless of whether they file a proof of claim. Filing a proof of claim submits a creditor to the jurisdiction of the bankruptcy court, with consequences a lawyer can explain. For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.

**8. Exception to discharge deadline**

The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline.

You must start a judicial proceeding by filing a complaint if you want to have a debt excepted from discharge under 11 U.S.C. § 1141(d)(6)(A).

**Deadline for filing the complaint:** \_\_\_\_\_**9. Creditors with a foreign address**

If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.

**10. Filing a Chapter 11 bankruptcy case**

Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.

**11. Discharge of debts**

Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge under 11 U.S.C. § 1141(d)(6)(A), you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.

**Notice of Chapter 12 Arrangement**

1 of 1

For the debtors listed above a case has been filed under chapter 12 of the Bankruptcy Code. In order for relief has been entered.

This notice has important information about the case for creditors, debtors and trustees. Read it carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors, from the debtors' property, or from certain codebtors. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 12 plan may result in a discharge of debt. Creditors who want to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 13 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at [www.pacer.gov](http://www.pacer.gov)).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

The debtor will remain in possession of the property and may continue to operate the business unless the court orders otherwise.

**Instructions for Proof of Claim**

United States Bankruptcy Court

12/10

These instructions and definitions generally explain the law. In certain circumstances, such as bankruptcy cases that debtors do not file voluntarily, exceptions to these general rules may apply. You should consider obtaining the advice of an attorney, especially if you are unfamiliar with the bankruptcy process and privacy regulations.

A person who files a fraudulent claim could be fined up to \$5,000, imprisoned for up to 5 years, or both. 18 U.S.C. §§ 152, 157 and 3571.

**How to fill out this form**

- **Fill in all of the information about the claim as of the date the case was filed.**
- **Attach any supporting documents to this form.**  
Attach redacted copies of any documents that show that the debt exists, a lien secures the debt, or both. (See the definition of *reclamation* on the next page.)  
  
Also attach copies of documents that show perfection of any security interest or any assignments or transfers of the debt. In addition to the documents, a summary may be added. Federal Rule of Bankruptcy Procedure (called “Bankruptcy Rule”) 3001(c) and (d).
- **Do not attach original documents because attachments may be destroyed after scanning.**
- **If the claim is based on delivering health care goods or services, do not disclose confidential health care information. Leave out or redact confidential information both in the claim and in the attached documents.**
- **Proof of Claim form and any attached documents must show only the last 4 digits of any social security number, individual’s tax identification number, or financial account number, and only the year of any person’s date of birth.** See Bankruptcy Rule 9037.
- **For a minor child, fill in only the child’s initials and the full name and address of the child’s parent or guardian.** For example, write *ABCA minor child (Mother’s name and address)*. See Bankruptcy Rule 9037.

**Confirmation that the claim has been filed**

To receive confirmation that the claim has been filed, either enclose a stamped self-addressed envelope and a copy of this form or go to the court’s PACER system ([www.pacer.psc.uscourts.gov](http://www.pacer.psc.uscourts.gov)) to view the filed form.

**Understand the terms used in this form**

**Administrative expense**—Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

**Claim**—A creditor’s right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (5). A claim may be secured or unsecured.

**Creditor**—A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (10).

**Debtor**—A person, corporation, or other entity who is in bankruptcy. Use the debtor’s name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

**Evidence of perfection**—Evidence of perfection of a security interest may include a mortgage; lien; certificate of title; financing statement; in some instances, the original security agreement, or other document showing that a security interest has been filed or recorded.

**Information that is entitled to privacy**—A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

**Priority claim**—A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

**Proof of claim**—A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed with the clerk of the same bankruptcy court in which the bankruptcy case was filed.

**Redaction of information**—Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to privacy on the *Proof of Claim* form and any attached documents.

**Secured claim under 11 U.S.C. §541(a)**—A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily

granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

**Setoff**—Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

**Uniform claim identifier**—An optional 24-character identifier that certain large creditors use to facilitate electronic payment in chapter 13 cases.

**Unsecured claim**—A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part if the amount of the claim is more than the value of the property on which a creditor has a lien.

### Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Official Form 41

**Instructions for Mortgage Proof of Claim Attachment**

United States Bankruptcy Court

12/15

**Introduction**

Proof of Claim (Official Form B410) with other documentation required under the Federal Rules of Bankruptcy Procedure.

**Applicable Law and Rules**

Rule 3001(c)(2)(A) of the Federal Rules of Bankruptcy Procedure requires for the bankruptcy case of an individual that any proof of claim be accompanied by a statement itemizing any interest, fees, expenses, and charges that are included in the claim.

Rule 3001(c)(2)(B) requires that a statement of the amount necessary to cure any default be filed with the claim if a security interest is claimed in the debtor's property.

If a security interest is claimed in property that is the debtor's principal residence, Rule 3001(c)(2)(C) requires this form to be filed with the proof of claim. The form implements the requirements of Rule 3001(c)(2)(A) and (B).

If an escrow account has been established in connection with the claim, Rule 3001(c)(2)(C) also requires an escrow statement to be filed with the proof of claim. The statement must be prepared as of the date of the petition and in a form consistent with applicable nonbankruptcy law.

**Directions**

**Definition**

This form must list all transactions on the claim from the *first date of default* to the petition date. The *first date of default* is the first date on which the borrower failed to make a payment in accordance with the terms of the note and mortgage, unless the note was subsequently brought current with no principal, interest, fees, escrow payments, or other charges immediately payable.

**Information required in Part 1: Mortgage and Case Information**

Insert on the appropriate lines:

- the case number;
- the names of Debtor 1 and Debtor 2;
- the last 4 digits used to identify the mortgage loan number (i.e., the last 4 digits of the loan account number or any other information to identify the account);
- the creditor's name;
- the servicer's name, if applicable; and
- the method used to calculate interest on the debt (i.e., fixed accrual, daily simple interest, or other method).

**Information required in Part 2: Total Debt Calculation**

---

Insert:

- the principal balance on the debt;
- the interest due and owing;
- any fees or costs owed under the note or mortgage and outstanding as of the date of the bankruptcy filing; and
- any *esrow defie for funds adaed* that is, the amount of any prepetition payments for taxes and insurance that the servicer or mortgagee made out of its own funds and for which it has not been reimbursed.

Also disclose the *total amount of funds oad*. This amount is the total of the following, if applicable:

- a positive escrow balance,
- unapplied funds, and
- amounts held in suspense accounts.

Total the amounts owed subtracting total funds on hand to determine the total debt due.

Insert this amount under *total debt*. The amount should be the same as the claim amount that you report on line of Official Form 410.

**Information required in Part 3: Arrearage as of the Date of Petition**

---

Insert the amount of the principal and interest portion of all prepetition monthly installments that remain outstanding as of the petition date. The escrow portion of prepetition monthly installment payments should not be included in this figure.

Insert the amount of fees and costs outstanding as of the petition date. This amount should equal the *eesar es alae* as shown in the last entry in Part , Column P.

Insert any *esrow defie for funds adaed*. This amount should be the same as the amount of *esrow defie* stated in Part 2.

Insert the *roed esrow sbrtae* as of the date the bankruptcy petition was filed. The *roed esrow sbrtae* is the amount the claimant asserts should exist in the escrow account as of the petition date, less the amount actually held. The amount actually held should equal the amount of a positive escrow account balance as shown in the last entry in Part , Column O.

This calculation should result in the amount necessary to cure any prepetition default on the note or mortgage that arises from the failure of the borrower to satisfy the amounts required under the Real Estate Settlement Practices Act (RESPA). The amount necessary to cure should include 1 of the anticipated annual charges against the escrow account or 2 months of the monthly pro rata installments due by the borrower as calculated under RESPA guidelines. The amount of the protected escrow shortage should be consistent with the escrow account statement attached to the *roof of lai*, as required by Rule 3001(c)(2)(C).

Insert the amount of funds on hand that are unapplied or held in a suspense account as of the petition date.

Total the amounts due listed in Part 3, subtracting the funds on hand, and insert the calculated amount in *total reetitio arrearae*. This should be the same amount as Amount necessary to cure any default as of the date of the petition that your report on line of Official Form 410.

**Information required in Part 4: Monthly Mortgage Payment**

---

Insert the principal and interest payment amount of the monthly payment as of the petition date.

Insert the monthly escrow portion of the monthly payment. This amount should take into account the receipt of any amounts claimed in Part 3 as escrow deficiency and protected escrow shortage. Therefore, a claimant should assume that the escrow deficiency and shortage will be paid through a plan of reorganization and provide for a credit of a like amount when calculating postpetition escrow installment payments.

Claimants should also add any monthly private mortgage insurance amount.

Insert the sum of these amounts in **Total** **Other** **Item** **Balance**.

**Information required in Part 3: Loan Payment History from the First Date of Default**

---

Beginning with the First Date of Default, enter:

- the date of the default in Column A;
- amount incurred in Column D;
- description of the charge in Column B;
- principal balance, escrow balance, and unapplied or suspense funds balance as of that date in Columns C, O, and P, respectively.

For (1) all subsequently accruing installment payments; (2) any subsequent payment received; (3) any fee, charge, or amount incurred; and (4) any escrow charge satisfied since the date of first default, enter the information in date order, showing:

- the amount paid, accrued, or incurred;
- a description of the transaction;
- the contractual due date, if applicable;
- how the amount was applied or assessed; and
- the resulting principal balance, accrued interest balance, escrow balance, outstanding fees or charges balance, and the total unapplied funds held or in suspense.

If more space is needed, fill out and attach as many copies of **Part 3: Proof of Loan Payment History** as necessary.

### Committee Note

Official Form 410, *Proof of Claim*, applies in all cases. Form 410 replaces Official Form 10, Proof of Claim. It is renumbered to distinguish it from the forms used by debtors for case opening, and includes stylistic changes throughout the form. It is revised as part of the Forms Modernization Project, making it easier to read and, as a result, likely to generate more complete and accurate responses. Because the goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions.

Official Form 410 has been substantially reorganized. A new question has been added at line 10 that solicits information about claims based on leases.

Official Form 410A, *Mortgage Proof of Claim Attachment*, is revised in its content and format. Rather than requiring a home mortgage claimant to fill in blanks with itemized information about the principal, interest, and fees due as of the petition date and the amount necessary to cure a prepetition default, the form now requires the claimant to provide a loan history that reveals when payments were received, how they were applied, when fees and charges were incurred, and when escrow charges were satisfied. Because completion of the revised form can be automated, it will permit claimants to comply with Rule 3001(c)(2)(C) with efficiency and accuracy. Attachment of a loan history with a home mortgage proof of claim will also provide transparency about the basis for the claimant's calculation of the claim and arrearage amount.

The loan history should begin with the first date on which the borrower failed to make a payment in accordance with the terms of the note and mortgage, unless the note was subsequently brought current with no principal,

interest, fees, escrow payments, or other charges immediately payable.

Official Forms 410S1 and 410S2, *Notice of Mortgage Payment Change* and *Notice of Postpetition Mortgage Fee/Expense/Loan Charge*, are revised as part of the Forms Modernization Project. There are formatting changes throughout the forms.

# General Instructions

This document provides instructions for completing selected forms that entities other than individuals and municipalities filing for bankruptcy must submit to the U.S. Bankruptcy Court. All of the required forms can be downloaded without charge from:

<http://www.uscourts.gov/FormsAndFees/Forms/BankruptcyForms.aspx>.

The instructions are designed to accompany the forms and are intended to help in understanding what information is required to properly file. The representatives of the debtor working on the forms should review each form and any pertinent instructions before supplying the information for each form.

Although the forms often parallel how businesses commonly keep their financial records, it is not always possible to do so

because information needed in a bankruptcy case is often different from that prescribed under generally accepted accounting principles. These instructions highlight some of the differences between the bankruptcy documents and accounting records. The debtor must provide all information required.

These instructions are not a substitute for legal advice about bankruptcy and the required forms. Completing the forms is only a part of the bankruptcy process.

Non-individual debtors must have an attorney to file for bankruptcy. Although the attorney may prepare the forms using information supplied by the debtor, representatives of the debtor must ensure that the forms are accurate and complete and must sign the forms under penalty of perjury.

## Important Information

**Non-individual debtors must be represented by an attorney.**

**Bankruptcy can have serious long-term financial and legal consequences, including loss of property. Only an attorney can give legal advice regarding the possible consequences of filing for bankruptcy and the various options that are available.**

**Entities may not file bankruptcy if they are not eligible to file or do not intend to file the documents necessary to complete the bankruptcy.**

**Bankruptcy fraud is a serious crime. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$500,000 or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.**

## Series of the bankruptcy forms and filing bankruptcy

Use the forms in the 11 series if the debtor is a non-individual, such as a corporation, partnership, or limited liability company (LLC). Forms in the 10 series are used by individuals or married couples. Sole proprietors must use the forms in the 11 series.

When a bankruptcy petition is filed, the U.S. Bankruptcy Court opens a case. It is important that the answers to the questions on the forms be complete and accurate so that the case proceeds smoothly. A person who gives false information in connection with a bankruptcy case could be charged with a federal crime, and the debtor may lose the benefits of filing for bankruptcy.

Filing a bankruptcy case is not private. Anyone has a right to see a debtor's bankruptcy forms after the debtor files them. In some circumstances, the bankruptcy court may issue a protective order to keep trade secrets or other confidential proprietary information from being disclosed to the public. 11 U.S.C. 541(c)(2) Federal Bankruptcy Rule 1001

## Follow these privacy restrictions

- Do not list a minor child's full name on any form. Instead, fill in only the child's initials and the full name and address of the child's parent or guardian. For example, write A.B., a minor child *John Doe, parent, 123 Main St., City, State* 11 U.S.C. 541(c)(2) Federal Bankruptcy Rules 1001 and 1002
- Do not list a person's date of birth.
- Do not list anyone's full Social Security number on any form.

## Understand the terms used in the forms

To understand terms used in the forms and the instructions, see the *Glossary* at the end of this document.

## Instructions to remember when filling out and filing these forms

- Be as complete and accurate as possible.
- If more space is needed, attach a separate sheet to the form. On the top of any pages added, write the debtor's name and case number, if known. Also identify the form and line number to which the additional information applies.
- Do not file these instructions with the bankruptcy forms that the debtor files with the court.
- For the debtor's records, be sure to keep a copy of the debtor's bankruptcy documents and all attachments that the debtor files.

## Filing amended forms

Check the box on the top of the form to show that the debtor is submitting an amendment.

## When a debt was incurred as a debt incurred

When a debt was incurred on a single date, fill in the actual date that the debt was incurred.

When a debt was incurred on multiple dates, fill in the range of dates. For example, if the debt is from a credit card, fill in the month and year of the first and last transactions, if known.

## How to File for Bankruptcy Case for Non-Individuals

To file for bankruptcy, the debtor must give the court several forms and documents. Some must be filed at the time the debtor files the case. Others may be filed up to 14 days later.

### When the debtor files its bankruptcy case

The debtor must pay the entire filing fee when the case is filed. The debtor must file the forms listed below on the date the debtor files its bankruptcy case. For copies of the forms listed here, go to <http://www.uscourts.gov/FormsAndFees/Forms/BankruptcyForms.aspx>.

- *Voluntary Petition for Non-Individuals Filing for Bankruptcy* (Official Form 201). This form opens the case. Directions for completing it are included in the form itself.
- *A list of names and addresses of all of the debtor's creditors*, formatted as a mailing list according to instructions from the bankruptcy court in which the debtor files. (The bankruptcy court may call this a *creditor matrix* or *mailing matrix*.)
- *Chapter 11 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims Against Debtor and Are Not Insiders* (Official Form 204). Fill out this form only if the debtor files under chapter 11.
- *Attachment to Voluntary Petition for Non-Individuals Filing for Bankruptcy Under Chapter 11* (Official Form 201A). This form is filed only by non-individual debtors who file under chapter 11 and who are required to file periodic reports (for example, Forms 10K and 10Q) with the Securities and Exchange Commission pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934.

### When the debtor files its bankruptcy case or within 14 days after filing

The debtor must file the forms listed below with its *Voluntary Petition for Non-Individuals Filing for Bankruptcy* (Official Form 201) or within 14 days, or such additional time as the court may order, after filing. If the debtor does not do so, the case may be dismissed. Although it is possible to open a case by submitting only the documents listed under *When the debtor files its bankruptcy case*, the debtor should file the entire set of forms at one time to help its case proceed smoothly.

The debtor must fill out all of the forms completely even though some forms may ask similar questions.

The list below identifies the documents that all non-individuals must file as well as those that are specific to each chapter. For copies of the official forms, go to <http://www.uscourts.gov/FormsAndFees/Forms/BankruptcyForms.aspx>.

**All non-individuals who file for bankruptcy must file these forms and the forms for the specific chapter**

- *Schedules of Assets and Liabilities* (Official Form 206) which includes these forms:
  - *Schedule A/B: Real and Personal Property* (Official Form 206A/B)
  - *Schedule D: Creditors Who Have Claims Secured by Property* (Official Form 206D)
  - *Schedule E/F: Creditors Who Have Unsecured Claims* (Official Form 206E/F)
  - *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G)
  - *Schedule H: Codebtors* (Official Form 206H)
  - *Summary of Assets and Liabilities for Non-Individuals* (Official Form 206Sum). This form gives an overview of the totals on the schedules.
- *Declaration Under Penalty of Perjury for Non-Individual Debtors* (Official Form 202–Declaration)
- *Statement of Financial Affairs for Non-Individuals Filing for Bankruptcy* (Official Form 207)
- *Disclosure of Compensation to Debtor’s Attorney* — unless local rules provide otherwise, Director’s Form 2030 may be used.
- *Statement of current income and current expenditures* — unless local rules provide otherwise, debtors may use *Schedule I: Monthly Receipts and Disbursements of Non-Individual Debtors Where Current Accounting Statements Are Unavailable* (Form 206 I/II)

**If a small business debtor files under chapter 11 the debtor must also file**

If the debtor files under chapter 11 and meets the criteria and debt limits outlined in 11 U.S.C. §101(51D), the debtor qualifies as a small business debtor and must file with the petition its most recent

- balance sheet,
- statement of operations,
- cash-flow statement, and
- federal income tax return.

If the debtor does not have these documents, the debtor must file a statement made under penalty of perjury that the debtor has not prepared either a balance sheet, statement of operations, or cash-flow statement or the debtor has not filed a federal tax return.

# Instructions for Selected Forms

# Schedule A/B Real and Personal Property

Chapter 11, 12, or 13

*Schedule A/B: Assets – Real and Personal Property* (Official Form 206A/B) requires debtors to list most of the property interests that are involved in a bankruptcy case. All debtors filing for bankruptcy must honestly list everything they own or in which they have a legal, equitable, or future interest. *Legal, equitable, or future interest* are broad terms and include all kinds of property interests in both tangible and intangible property, whether or not anyone else has an interest in that property.

The information in this form is grouped by asset category and, in general, follows the layout and order of liquidity found in a balance sheet. Examples are included for some items and are meant to give debtors an idea of what to include in the categories. The examples are not intended to be complete lists of everything within that category.

An authorized representative of the debtor must verify under penalty of perjury that the information provided is true and correct. Bankruptcy Rule 1008.

If the debtor makes a false statement or conceals property, the debtor may lose the property, be fined up to \$500,000, or be imprisoned for up to 20 years or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

## Understand the terms used in this form

### Current value

In this form, the debtor must report the *current value of the debtor's interest* in any property that it owns in each category. *Current value* is sometimes called *fair market value* and, for this form, it is the fair market value as of the date of filing the bankruptcy petition. *Current value* is how much the property is currently worth, which may be more or less than the amount the debtor paid for the property or the book value of the property.

### Valuation method used for current value

In certain asset categories, the debtor must also provide the valuation method used to calculate the current value. Select a reasonable method that provides an accurate estimation of current value.

Examples of valuation methods may include:

- **Appraisal** (provide the date the appraisal was conducted);
- **Comparable sales** (for example, blue-book values or comparable sales provided by a broker);
- **Revenue-based** (for example, present value of revenue streams calculated for a hotel or apartment complex based on rents and available rooms);

- **Liquidation value** (for example, the price of the property when it is not allowed sufficient time to sell in the open market—this figure is typically provided by a professional);
- **Expert** (for example, an accountant or advisor who has special expertise with regard to the property);
- **Replacement value** (the cost of replacing the property);
- **Assessed records** (for example, the value assessed on the property by the county appraisal);
- **Recent cost-based valuations** (for example, first-in first-out inventory valuation method).

**Net book value of debtor's interest is here available**

If the debtor does not prepare a balance sheet for its financial records or for its tax returns, then it does not need to provide information in this column.

If the debtor prepares a balance sheet for its financial records or for its tax returns, then it must also provide the *net book value of debtor's interest* for certain types of property. For purposes of this form, use the book value reported on the most recent balance sheet prepared before filing this case.

*Net book value* is the carrying value of an asset on the debtor's books or financial records and is generally calculated by taking the original cost of the property and subtracting depreciation or amortization expenses (if any).

Depreciation and amortization expenses are calculated using accounting procedures that allocate the cost of certain property over its useful life. It represents the decline in value over time due to wear and tear, obsolescence, or other factors.

**How to list items on this form**

- List items only once on this form; do not list an item in more than one category. If an item could fit into more than one category, select the category the debtor thinks is the most suitable and list the item there. For example, a car dealership may report vehicles under *Part 7 Inventory* instead of under *Part 7 Machinery, equipment, and vehicles*.
- List property held for resale in *Part 7 Inventory*. If the debtor separates manufactured items into raw materials, work in progress, and finished goods, report those items in the categories provided as appropriate. If the debtor only purchases items and holds them for resale and does not do any manufacturing, then report the items under finished goods, not as raw materials or work in progress.
- The values reported on this form must match the values reported on *Schedule C: Creditors Who Have Claims Secured by Property* (Official Form 206C).
- In Schedule A/B, list any executory contracts or unexpired lease contracts that have a net value (for example, an unexpired lease for a building, a real estate listing agreement, or leases for machinery or equipment). Also list them on *Schedule D: Executory Contracts and Unexpired Leases* (Official Form 206D).

## Schedule C Creditors Who Have Secured Claims

### Report the following information:

The people or organizations to whom the debtor owes money are called its *creditors*. A *claim* is a creditor's right to payment.

Creditors may have different types of claims:

- **Secured claims.** Report these on *Schedule C: Creditors Who Have Claims Secured by Property* (Official Form 206C).
- **Unsecured claims.** Report these on *Schedule D: Creditors Who Have Unsecured Claims* (Official Form 206E/F).

Creditors with secured claims may be able to get paid from specific property in which that creditor has a security interest, such as a mortgage or a lien. That property is sometimes called *collateral* for the debt. Creditors with unsecured claims do not have rights against specific property.

### Claims may be contingent, unliquidated, or disputed

Some claims have a specific amount which the debtor clearly owes. But some claims are uncertain or become due only after the bankruptcy petition is filed. All claims must be listed in the schedules, even if they are contingent, unliquidated, or disputed.

A claim is *contingent* if the debtor is not obligated to pay it unless a particular event occurs after the bankruptcy petition is filed.

A claim is *unliquidated* if the amount of the debt cannot be readily determined, such as by referring to an agreement or by a simple computation. An unliquidated claim is one for which there may be a definite liability but where the amount of the claim has not been determined.

A claim is *disputed* if the debtor disagrees that it owes all or a portion of the debt.

A single claim can have one, more than one, or none of these characteristics.

### Do not omit any secured creditors

In alphabetical order, list all creditors that have judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and purchase money security interests or other consensual liens against property of the debtor. These categories can be used to describe the lien.

The form is divided into parts. List a debt in Part 1 only once and list any other entities that should be notified about that debt in Part 2. For example, if an attorney is trying to collect a debt that the debtor owes to someone else, list the person to whom the debtor owes the debt in Part 1 and list the attorney in Part 2. If the case is a chapter 11 case and the amount of the creditor's unsecured claim in Column C makes it one of the 20 largest unsecured creditors, the creditor must also be included on *Chapter 11 or Chapter 12 Cases: List of Creditors Who Have the 20 Largest Unsecured Claims Who Are Not Insiders* (Official Form B204).

**Determine the amount of each secured creditor's claim or claims**

To determine the amount of a secured claim, compare the amount of the claim to the value of the debtor's interest in the property that is collateral for the claim. If that value is greater than the amount of the claim, then the entire amount of the claim is *secured*.

If the value of the property that is collateral for the claim is less than the amount of the claim, the difference is *unsecured*.

For example, if the outstanding balance due on an equipment loan is \$100,000 and the equipment is worth \$80,000, the lender has a secured claim of \$80,000 and an unsecured claim of \$20,000. In that situation, list the creditor only once on *Schedule C: Creditors who have Claims Secured by Property* (Official Form 206C). Do not list the creditor again on *Schedule D/E: Creditors who have Unsecured Claims* (Official Form 206E/F). In addition, if the case is a chapter 11 case and the creditor's unsecured claim makes it one of the 20 largest unsecured creditors, the creditor must also be included on *Chapter 11 or Chapter 12 Cases: List of Creditors who have the 20 Largest Unsecured Claims who are not insiders* (Official Form 204).

List a creditor in Schedule C even if it appears that no value exists to support that creditor's secured claim, as long as the creditor has a security interest in some property owned by the debtor. If the claim is secured only by property owned by a non-debtor, list the claim in Schedule E/F.

If there is more than one secured claim against the same property, the amount of the claim that is entitled to be paid first must be subtracted from the property value to determine how much value remains for the next claim.

For example, if a building worth \$300,000 has a first mortgage of \$200,000 and a second mortgage of \$150,000, the first mortgage would be fully secured, and there would be \$100,000 of property value for the second mortgage, and the claim secured by the second mortgage would have an unsecured portion of \$50,000.

1	ABC COMPANY	Real estate	100,000	100,000	0
2	DEF COMPANY	Mortgage	200,000	200,000	0
3	GHI COMPANY	Real estate	150,000	50,000	100,000
4	JKL COMPANY	Mortgage	150,000	150,000	0
5	MNO COMPANY	Real estate	100,000	0	100,000
6	PQR COMPANY	Mortgage	100,000	0	100,000

Show the amount of any unsecured portion of a secured claim on Schedule C in Column C.

## Schedule F Creditors who have unsecured

### Claims

The people or organizations to whom the debtor owes money are called its *creditors*. A claim is a creditor's right to payment.

Creditors may have different types of claims:

- **Secured claims.** Report these on *Schedule B: Creditors who have Claims Secured by Property* (Official Form 206B).
- **Unsecured claims.** Report these on *Schedule F: Creditors who have Unsecured Claims* (Official Form 206E/F).

Creditors with unsecured claims typically do not have liens on or other security interests in the debtor's property.

Use *Schedule F: Creditors who have Unsecured Claims* (Official Form 206E/F) to identify everyone who holds an unsecured claim against the debtor as of the date the bankruptcy petition is filed unless that creditor is already listed on *Schedule B: Creditors who have Claims Secured by Property* (Official Form 206B).

Creditors with secured claims have a right to take property from the debtor if the debtor does not pay them. They should be listed on *Schedule B: Creditors who have Claims Secured by Property* (Official Form 206B).

If a secured creditor's full claim exceeds the value of the property securing that claim, the creditor may have a secured claim for the value of the property and an unsecured claim for the deficiency. In that situation, list the creditor only once on *Schedule B: Creditors who have Claims Secured by Property* (Official Form 206B). Do not list the creditor again on

*Schedule F: Creditors who have Unsecured Claims* (Official Form 206E/F).

List a creditor in Schedule F even if it appears that no value exists to support that creditor's secured claim.

### Claims may be contingent, unliquidated, or disputed

Some claims have a specific amount which the debtor clearly owes. But some claims are uncertain or become due only after the date the bankruptcy petition is filed. All claims, whether they are certain or uncertain as of the date of the filing, must be listed in the schedules, even if the claims are contingent, unliquidated, or disputed.

A claim is *contingent* if the debtor is not obligated to pay it unless a particular event occurs after the petition is filed.

A claim is *unliquidated* if the amount of the debt cannot be readily determined, such as by referring to an agreement or by a simple computation. An unliquidated claim is one for which there may be a definite liability but where the amount of the claim has not been set.

A claim is *disputed* if the debtor disagrees that it owes all or a portion of the debt.

A single claim can have one, more than one, or none of these characteristics.

## Unsecured claims may be either priority or nonpriority claims

### What are priority unsecured claims?

In bankruptcy cases, *priority unsecured claims* are those debts that the Bankruptcy Code requires to be paid before most other unsecured claims are paid. The most common priority unsecured claims are certain tax debts. Priority unsecured claims include those the debtor owes for:

- **Taxes and certain other debts owed to the government** If the debtor owes certain federal, state, or local government taxes, customs duties, or penalties.  
11 U.S.C. § 507(a)(8).
- **Wages, salaries, and commissions** If the debtor owes wages, salaries, and commissions, including vacation, severance, and sick leave pay and those amounts were earned within 180 days before the bankruptcy petition was filed or the debtor ceased business. In either instance, only the first \$12,475 per claim is a priority claim.  
11 U.S.C. § 507(a)(4).
- **Contributions to employee benefit plans** If the debtor owes contributions to an employee benefit plan for services an employee rendered within 180 days before the bankruptcy petition was filed, or within 180 days before the debtor ceased business. Only the first \$12,475 per employee, less any amounts owed for wages, salaries, and commissions, is a priority claim.  
11 U.S.C. § 507(a)(5).
- **Certain claims of farmers and fishermen**— Only the first \$6,150 per farmer or fisherman is a priority claim.\* 11 U.S.C. § 507(a)(6).

\* Subject to adjustment on 4/1/16, and every 3 years after that for cases begun on or after the date of adjustment.

- **Deposits by individuals** — If the debtor obtained from an individual a deposit for the purchase, lease, or rental of property or services for the individual or the individual's family, the deposit may be a priority claim. Unredeemed gift certificates are deposits. The priority is limited to \$2,775.\*  
11 U.S.C. § 507(a)(7).

Other categories exist.

### What are nonpriority unsecured claims?

*Nonpriority unsecured claims* are those debts that generally will be paid after priority unsecured claims are paid. The most common examples of nonpriority unsecured claims are trade debts, bank loans, contract obligations, and fees for professional services.

In Part 2, list every creditor owed money by the debtor not listed before, regardless of the amount and even if the debtor plans to pay a particular debt.

### What if a claim has both priority and nonpriority amounts?

If a claim has both priority and nonpriority amounts, list that claim in Part 1 and show both priority and nonpriority amounts. Do not list it again in Part 2.

### On what date was a debt incurred?

When a debt was incurred on a single date, fill in the actual date that the debt was incurred.

When a debt was incurred on multiple dates, fill in the range of dates. For example, if the debtor has a line of credit with multiple draws, fill in the month and year of the first and last transactions, if known.

## Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G)

---

Use *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G) to identify the debtor's ongoing leases and certain contracts. List all of the debtor's executory contracts and unexpired leases.

*Executory contracts* are contracts between the debtor and another party in which neither party has performed all of the requirements by the time the debtor files for bankruptcy. *Unexpired leases* are leases that are still in effect.

The debtor must list all agreements that may be executory contracts or unexpired leases, even if they are listed on *Schedule D: Real Property* (Official Form 206D/1) or *Schedule E: Secured Claims*, (Official Form 206E/F) including the following:

- Equipment leases
- Vehicle leases
- Leases for business or investment property (for example, office or warehouse space)
- Contracts to sell a building, land, or other real property

- Service provider agreements (for example, maintenance contracts for office equipment, and contracts for cell phones, personal electronic devices, internet, and cable)
- Sales contracts
- Supplier or service contracts
- Leases or timeshare contracts
- Employment contracts
- Real estate listing agreements
- Intellectual property license agreements (such as copyright, patent, trademark, and industrial rights)
- Development contracts
- Insurance contracts.

State the contract number of any government contract.

These reports are typically maintained for purposes of calculating tax deductions and preparing tax returns.

**Annuity** — A contract for the periodic payment of money, either for the life of the recipient or for a fixed number of years.

**Book value or net book value** — The carrying value of an asset on the debtor's books or financial records. This amount is generally calculated by taking the original cost of the property and subtracting depreciation or amortization expenses (if any).

**Causes of action** — Claims where the debtor is entitled to money or other relief from a third party or where a third party is entitled to money or other relief from the debtor.

**Claim** — creditor's right to payment, even if contingent, disputed, unliquidated, or unmatured.

**Depreciation** — non-cash accounting method that allocates the cost of a tangible asset over its useful life.
