PART IV
THE DEBTOR: DUTIES AND BENEFITS

4001-1. Automatic Stay – Relief from

(a) Limitation on Combined Motions. A motion for relief from the 11 U.S.C. § 362(a) stay shall not contain additional requests for relief, except for abandonment and/or adequate protection regarding the same asset. When other requests for relief are impermissibly combined with a motion for relief from the 11 U.S.C. § 362(a) stay, the motion for stay relief (and any related abandonment and/or adequate protection) will be heard. The impermissible requests for relief will only be considered when separately filed.

(b) Procedure. Procedure for prosecuting and responding to a request for relief from the stay is controlled by a Notice of Preliminary Hearing and Prehearing Order issued by the Clerk after the filing of the motion.

(c) Codebtor Stay. Any motion for relief from the codebtor stay under 11 U.S.C. § 1301 shall be made by separate motion in compliance with LBR 9013-1.

(d) Continuance of Preliminary or Final Hearing. The agreement of all parties to continue the preliminary or final hearing of a request for relief from the stay excuses the attendance of counsel if a joint motion and agreed order to continue are filed on or before the second business day prior to the preliminary or final hearing. Otherwise, announcement of an agreement to continue may be made by counsel at the first call of the preliminary hearing docket.

Agreed orders continuing the preliminary hearing of a request for relief from the stay shall specify the date and time of the continued hearing, shall continue the stay in effect and include a certificate of service consistent with LBR 9013-3.

(e) Order Granting Relief from Automatic Stay. In Chapter 7, 12 and 13 cases, orders granting relief from the automatic stay in 11 U.S.C. § 362(a) must comply with the following provisions.

(2) Form of Order. The forms located on the court's website at www.tnmb.uscourts.gov>Forms>Local Bankruptcy Forms>Appendix E shall be used when there is Affected Collateral and: (a) no opposition to the motion for stay relief was filed; (b) any filed opposition was withdrawn; or (c) any opposition was overruled by the court at the Scheduled Hearing.

(3) Abandonment by Trustee. If the motion for stay relief states that the Affected Collateral is burdensome or of inconsequential value to the estate, and the trustee does not oppose stay relief, then the forms located at the court's website at

<www.tnmb.uscourts.gov>Forms>Local Bankruptcy Forms>Appendix E-3 or E-4 shall be used. Abandonment is only effective if the trustee approves the order for entry.

(4) FED. R. BANKR. P. 4001(a)(3) Stay. If the motion for stay relief requests that FED. R. BANKR. P. 4001(a)(3) not apply and there is no opposition to that request, then the forms located at the court's website at <www.tnmb.uscourts.gov>Forms>Local Bankruptcy Forms>Appendix E-2 or E-4 shall be used.

(5) Agreed Orders. This LBR 4001-1(d) is not applicable when a motion for stay relief is resolved by agreed order.

(f) Agreed Order Granting Stay Relief and/or Abandonment.

(1) Any agreed order which grants stay relief and/or abandonment with respect to consumer debt when no motion is filed shall prominently display in bold text the following language: "ORDERED, Any objection to this agreed order must be filed within 14 days of the entry of the order."

(2) Pursuant to FED.R.BANKR.P. 4001(d)(4), the agreed order shall be served upon any party who has an interest in collateral or is jointly obligated.

(g) Agreed Order Granting Adequate Protection Payments. Any agreed order which includes provisions for adequate protection payments shall be filed as a Motion for Approval of Agreed Order consistent with Fed R. Bankr. P. 4001(d) and shall be filed pursuant to LBR 9013-1 with the notice period shortened to 14 days.

4002-1. Debtor - Duties

(a) Persons to Act When Debtor Is Not Natural Person. The natural persons occupying the following positions shall perform all acts required to be performed by the debtor and shall attend on behalf of the debtor any examinations, meetings or hearings unless the court orders otherwise:

(2) If the debtor is a partnership, each of the general partners;

(3) If the debtor is a small business debtor, the senior management personnel (the person(s) occupying the position(s) of chief financial officer, chief operations officer, and chief management officer or comparable positions are presumed to be the senior management personnel);

(4) If any corporate, limited liability company or partnership debtor deems the persons designated above inappropriate, prompt motion shall be made consistent with LBR 9013-1 for relief from this rule and for the designation of some other or additional natural person or persons;

(5) The natural person or persons who will perform acts required to be performed by the debtor shall be identified by name, title and address at the time of the commencement of the case in a voluntary case. If a debtor files a certificate under 11 U.S.C. § 362(l)(1) with the petition, the deposit required by 11 U.S.C. § 362(l)(1)(B) shall be considered filed with the petition if tendered to the Clerk by close of the next business day after the filing of the petition. The deposit may only be tendered in the form of a cashier's check, money order, an Interest on Lawyers Trust Account check (IOLTA) or certified check made payable to the lessor (not the Clerk of the Court). The name and mailing address of the lessor shall be provided to the Clerk with tender of the deposit.

(d) Certificate of Payment of Domestic Support Obligations. Not later than 28 days after completion of payments under a Chapter 12 or Chapter 13 plan, the debtor shall file the certificate required by 11 U.S.C. §§ 1228(a) or 1328(a).

4070-1. Insurance

(a) Proof of Insurance. When the debtor retains a motor vehicle which is subject to the lien of a creditor holding a secured claim, proof of insurance against physical damage and loss must be furnished to the trustee and the creditor at or before the 11 U.S.C. § 341 meeting. Failure to furnish proof of insurance shall be presumed to mean no insurance is in effect. The proof of insurance must state that coverage will continue for at least 60 days from the date of the 11 U.S.C. § 341 meeting. On or before the date the insurance coverage lapses, proof of renewal or new insurance coverage must be provided to the trustee and the creditor.

(b) Definitions.

(1) "Motor Vehicle" shall include every item of transportation which is subject to registration pursuant to TENN. CODE ANN. § 55-3-101; provided, however, that the items of transportation excluded from the registration requirements in TENN. (2) "Proof of Insurance" shall mean a certificate of insurance or such other written evidence of sufficient reliability from the insurance carrier stating the amounts and types of coverage, a notation of the secured party as loss payee, and the time period for which coverage exists.

(c) Lapse of Insurance. If, during the pendency of a case, insurance lapses on any motor vehicle subject to the provisions of this rule:

(1) A creditor with an allowed claim secured by the motor vehicle shall notify, in writing, the debtor and the debtor's attorney of the lapse of insurance. Service of the notice shall be in the manner specified in FED. R. BANKR. P. 9014.

(2) The debtor shall be enjoined from using the motor vehicle as long as the motor vehicle remains uninsured.

(3) If the debtor fails to provide proof of re-insurance to the creditor within 3 business days following delivery of the notice of lapse, the debtor shall surrender the motor vehicle to the creditor or the creditor may take possession of the motor vehicle securing its claim and hold the same pending proof of insurance by the debtor. For purposes of this rule, delivery of notice is deemed complete 3 days after mailing.

(4) Within 7 days after taking possession of a motor vehicle based on lapse of insurance, the creditor shall file a motion for relief from the 11 U.S.C. § 362 stay.

(d) Second Lapse of Insurance. In the event insurance on a motor vehicle subject to this rule lapses twice during the pendency of a case, the court may, upon the filing of a motion accompanied by an affidavit evidencing compliance by the creditor with this rule and evidencing the previous lapse of insurance, grant the creditor relief, including relief from the stay of 11 U.S.C. § 362, without further hearing. The creditor shall include a proposed order granting the requested relief.

**PART IX
GENERAL PROVISIONS**

9004-2. Caption – Papers, General

(a) In General.

(1) All papers for filing must include in the caption the bankruptcy case number, the chapter of the case, and the name of the Judge to whom the case is assigned. The caption shall include a title that summarizes or describes the content of the document.

(2) All orders submitted for entry shall specify the relief to be granted by the order.

(b) Adversary Proceedings. In addition to the requirements immediately above, the caption for all papers filed in adversary proceedings must include the adversary proceeding number.

9010-1. Attorneys – Notice of Appearance

Contemporaneously with the first filing of any paper, an attorney representing any party-in-interest shall file a Notice of Appearance, except that an attorney who has signed the original complaint, petition or notice of removal is not required to file a Notice of Appearance. The Notice of Appearance must include the attorney's name, mailing address, phone number, fax number and email address. An attorney requesting a change of address must accomplish an address change by logging in the court's ECF system under Utilities > Maintain My User Account.

9013-1. Motion Practice

Any request for relief, other than one requiring a complaint resulting in the initiation of an adversary proceeding under FED. R. BANKR. P. 7001, must be made by written motion. Unless a motion is excluded pursuant to section (b), all motions must be initiated by the process indicated in this rule.

(a) "If Objection" Process. The majority of motions should be handled through an "if objection" process, whereby a hearing date is selected by movant's counsel from the availability calendar found on the court's website. A hearing will be conducted only if an entity files a timely written objection to the relief sought. The procedure to be used for this type of "if objection" motion is governed by subsections (c) and (d) below.

(b) Exclusions from "If Objection" Process. Exclusions from the "if objection" procedure generally include certain types of motions that are set for a hearing by the court regardless of whether an objection is filed, a limited number of routine motions that are acted upon by the court without the necessity of any time period for objections or any hearing, motions requiring an expedited process under LBR 9075-1, and most motions in adversary proceedings. Motions that are excluded from the "if objection" process are identified in more detail on the court's website at www.tnmb.uscourts.gov > Local Rules > 9013-1 Motions — Exclusion List, and

such list is considered to be a part of these local rules. If a motion is excluded from the “if objection” process, the court will either act on the request without a hearing or set the matter for a hearing with appropriate notice.

(c) Requirements for “If Objection” Process. The “if objection” process requires the following:

(1) Movant shall file and serve a motion together with a notice in the form located on the court’s website at <www.tnmb.uscourts.gov>Forms>Local Bankruptcy Forms>Appendix G on the parties required to receive notice, and file a certificate of service pursuant to LBR 9013-3. Every motion under this rule shall include, by attachment or exhibit, a copy of the proposed order or agreed order the movant will submit in the event no response to the motion is filed. Unless the cumulative size of the document dictates otherwise, the three required components should be filed as a single PDF document with the notice first, followed by the motion and then the proposed order.

(2) The hearing date, time, location, specific courtroom (if applicable), and last day to file responses must be included in the notice. The hearing date shall be obtained from the court’s availability calendar located on the court’s website at www.tnmb.uscourts.gov. Cases in the Cookeville and Columbia divisions should only be set on dockets for those respective divisions unless court approval is obtained to conduct the hearing in Nashville. With regard to Nashville division cases, hearings in Chapter 12 and Chapter 13 cases may only be scheduled for Chapter 13 hearing dates. Hearings in all other cases in the Nashville division may not be scheduled for a Chapter 13 hearing date. Unless Title 11 of the United States Code, the Federal Rules of Bankruptcy Procedure or these local rules provide otherwise, the notice shall provide for a 21 day response period to run from the placing of the notice in the U.S. mail, postage prepaid. The hearing date shall be no sooner than 7 days after the last day to file responses. Departure from this rule requires compliance with LBR 9075-1.

(3) Any response to a motion shall state prominently the deadline for filing responses, the date, time, location, and specific courtroom (if applicable) of the scheduled hearing and a description of the motion or notice to which it relates.

(4) If a timely response is filed, the hearing will be held at the date and time in the Notice. No further notice of the hearing date is required. If a timely response is filed, LBR 9014-1 shall apply.

(5) If a timely response is filed and the contested matter is subsequently resolved by agreement of all parties, an agreed order will excuse attendance only if it is filed prior to the hearing. Otherwise, announcement of an agreement resolving a contested matter may be made by counsel at the first call of the docket on the hearing date.

(6) The failure to file and serve a timely response shall be deemed a statement of no opposition to the relief requested.

(7) If no timely response is filed, movant or the parties to an agreed order shall file the original of the order or agreed order exhibited in the notice no later than 7 days after the hearing date. If no timely response is filed, movant or the parties to an agreed order are excused from attendance at the hearing date. If no timely response is filed, LBR 9014-1 shall not apply.

(8) After the order or agreed order has been signed and received for entry, the party submitting the order or agreed order shall serve a copy of the signed order on the parties required to receive notice. This requirement of separate service of the signed order is waived if the notice mailed pursuant to subparagraph (1) of this rule included an identical copy of the order or agreed order that was ultimately entered and no timely response was filed.

(d) Modifications. LBR 9013-1(a) is modified to include the additional requirements provided in the following rules:

- (a) LBR 2014-1 Notice of Employment Application
- (b) LBR 2016-1 Notice of Fee Application
- (c) LBR 2082-1 Motions to Modify or Amend Chapter 12 Plans
- (d) LBR 3007-1 Objections to Claims
- (e) LBR 3011-1 Unclaimed Funds
- (f) LBR 3015-2 Motions to Modify or Amend Chapter 13 Plans
- (g) LBR 4003-2 Lien Avoidance
- (h) LBR 6005-1 Auctioneers & Real Estate Agents
- (i) LBR 6007-1 Notice of Abandonment

9013-2. Briefs and Memoranda of Law

(a) Time for Filing. When a timely response is filed in any contested matter and a hearing is scheduled, parties to the contested matter may submit briefs or memoranda of law no later than noon on the second business days prior to the hearing.

(b) Citations. Currently, the court has access to Westlaw and Lexis. Any citation to any document that is in a format that allows retrieval from Westlaw or Lexis is acceptable. Otherwise, a copy of the cited document must be provided.

9013-3. Certificate of Service

(a) In General. When the United States Code, Federal Rules of Bankruptcy Procedure or these Local Rules require a party to provide notice or to serve papers, the responsible party shall file a certificate of service within 3 business days after giving notice or making service.

(b) Contents of Certificate. The certificate shall state the manner in which notice or service was effected and shall include the names and addresses of all parties served. A copy of the notice or papers served shall be attached to the certificate. For Chapter 12 and 13 cases, the certificate shall also include the total number of parties served.

9014-1. Contested Matters – Pretrial Disclosures and Court Filings

(a) General — This rule applies to any contested matter – whether arising as a result of an “if objection” motion under LBR 9013-1 followed by an objection being filed or as the result of any other motion set by the court for a hearing where a response is filed opposing the relief sought. The timing and necessity of initial disclosures are governed by this rule, and subsections (a), (d) and (f) of FED. R. BANKR. P. 7026 do not apply to such contested matters.

(b) Pretrial Orders and Conferences. Unless provided otherwise in a notice or order, pretrial orders and pretrial conferences are not required in contested matters. At any time, any party may file a motion requesting a pretrial conference.

(c) Response Deadline. In all contested matters not controlled by the “if objection” process under LBR 9013-1, unless an order or notice provides otherwise, any party in opposition to the relief requested shall file and serve a “response” or “objection” on or before the earlier of 21 days after service of the paper commencing the contested matter or 7 days before any scheduled hearing of the contested matter. The failure to file and serve a timely response shall be deemed a statement of no opposition to the relief requested. The court may enter an order granting the relief or may proceed with the hearing as scheduled despite the lack of a response. In the case of any contested matter set for hearing by the court and not governed by LBR 9013-1(a), the presence of movant’s counsel at the hearing is required unless an order has already been entered granting the relief at the time of the hearing.

(d) Pretrial Disclosures and Court Filings. Although various pretrial initial disclosures are not automatically required in contested matters pursuant to FED. R. BANKR. P. 7026, either the movant or the respondent in any contested matter may invoke certain initial disclosure requirements pursuant to subsection (2) below. Regardless of whether the initial disclosure requirements are invoked by either party, all parties must make certain pretrial filings and exchange certain information in advance of the hearing as set forth in subsection (1) below.

(1) Pretrial Court Filings. In addition to the initial disclosures that may be invoked by paragraph (2) below, and regardless of whether such pretrial disclosure process has been invoked, every party shall file with the Court and provide to every other party by noon two business days prior to the hearing the following information regarding evidence it may present at a hearing or trial (other than solely for impeachment purposes):

(a) The name, address and telephone number of each witness the party expects to present or may call if the need arises;

(b) A copy of the transcript of testimony or affidavit of any witness whose testimony will be offered in that form;

(c) A list and copy, with appropriate identification, of each document or other exhibit a party expects to offer or may offer as evidence. (For any matter to be heard in the Nashville Division, the exhibits shall be filed and exchanged utilizing the court’s Electronic Evidence Submission Application pursuant to the Electronic Evidence Procedures.)

(d) An expert report of the type described in LBR 9014-1(c) herein for any expert expected to testify.

(2) Initial Disclosures. If the movant elects to require pretrial disclosures as set forth herein, movant shall include the following statement in bold in the first paragraph of the motion: “Disclosures pursuant to LBR 9014-1(d)(1) shall be required for this matter.” If the movant does not include such language invoking the disclosure requirement, the respondent may invoke the requirement by including the same language in bold in the first paragraph of the response. If either the movant or a respondent invokes the initial disclosure requirements herein, each party shall provide to every other party to the contested matter the information listed below in subsections (a) thru (c). A party shall make these required disclosures based on the information then reasonably available and is not excused from these required disclosures because it has not fully completed its investigation or because it challenges the sufficiency of another party’s disclosure or because another party has not made its disclosure.

(a) The name, address and telephone number of each individual likely to have discoverable information relevant to the contested matter, identifying the subject(s) of the information;

(b) A copy of, or a description by category and location of, all documents, data compilations and tangible things in the possession, custody or control of the party that are relevant to the contested matter;

(c) The identity of any person who may be used at trial as an expert witness under Rules 702, 703 or 705 of the Federal Rules of Evidence. This disclosure shall be accompanied by a written report prepared and signed by the witness. The report shall contain a complete statement of all opinions to be expressed and the basis and reasons therefor. The data or other information considered by the witness in forming the opinions. Any exhibits to be used as a summary of or support for the opinions. The qualifications of the witness. The compensation to be paid for the testimony and a listing of any other cases in which the witness has testified as an expert at trial or by deposition within the preceding four years.

(d) The disclosures required in paragraphs (a) and (b) shall be completed no later than 7 calendar days after service of the objection or response or on or before the fourth business day prior to the hearing, whichever occurs first. The disclosures required in paragraph (c) shall be completed no later than 14 days after service of the response or on or before the fourth business day prior to the hearing, whichever occurs first.

(3) Briefs and Memoranda of Law.

(a) Time for Filing. When a timely response is filed in any contested matter and a hearing is scheduled, parties to the contested matter may supplement any factual or legal arguments made in their motion or response by submitting briefs or memoranda of law no later than noon on the second business day prior to the hearing, unless a court order or notice indicates a different deadline.

(b) Citations. Currently, the court has access to Westlaw and Lexis. Any citation to any document that is in a format that allows retrieval from Westlaw or Lexis is acceptable. Otherwise, a copy of the cited document must be provided.

(e) First Time Continuances in Contested Matters. Except with respect to stay relief addressed by LBR 4001-1, the agreement of all parties to continue for the first time a hearing in a contested matter (but not in adversary proceedings) excuses the attendance of counsel at the first scheduled hearing of the contested matter if:

(1) An Order, or an Agreed Order for First Continuance is filed no later than noon on the second business day prior to the date of the scheduled hearing;

(2) The order or agreed order specifies the date, time and place for the continued hearing of the contested matter;

(3) If the contested matter arises in a Chapter 13 case, the agreed order is signed by the Chapter 13 trustee.

In the alternative, announcement of the agreement of all parties to continue for the first time a hearing in a contested matter may be made by counsel at the first call of the docket on the hearing date.

9014-2. Corporate Ownership Statement

Parties to contested matters shall comply with FED. R. BANKR. P. 7007.1.

9018-1. Secret, Confidential, Scandalous or Defamatory Matter

Except as required by LBR 9037-1, the following applies to requests for documents filed under seal.

(a) Specific Court Order Required. No document may be filed under seal, i.e., closed to inspection or access by the public, except pursuant to a court order. A sealing order request must be narrowly tailored. No stipulation or blanket protective order that allows a party to designate documents as sealable will be entered.

(b) Request to File Document Under Seal. Counsel seeking to file a document or any portion under seal must:

(1) File by physical delivery to the Clerk and serve a Motion to File under Seal, accompanied by a declaration establishing that the document is sealable. The motion must specify the appropriate level of public disclosure with respect to each of the following:

(i) The docket text on CM/ECF regarding the Motion to File under Seal;

- (ii) The Motion to File under Seal;
- (iii) The docket text on CM/ECF regarding the Order Granting Filing Under Seal;
- (iv) The Order Granting Filing Under Seal; and
- (v) The docket text on CM/ECF regarding the filing of the document(s) filed under seal.

(2) Specify parties to whom the Clerk may grant access to the sealed document(s).

(3) Attach the completed form located on the court's website at www.tnmb.uscourts.gov>Forms>Local Bankruptcy Forms>Appendix H as a cover sheet to the Motion to File under Seal.

(4) File by physical delivery to the Clerk a proposed order sealing the document(s).

(5) File by physical delivery to the Clerk the document(s) in a sealed envelope or container, with a cover sheet affixed prominently displaying the notation: "DOCUMENT SUBMITTED UNDER SEAL."

(6) If only a portion of a document is sealable, the submitting party must also file, by physical delivery to the Clerk, a redacted version of the document to be placed in the public record if the Court approves the requested sealing order; and

(7) File by physical delivery to the Clerk a second copy of the document submitted under seal for delivery to the Judge's chambers by the Clerk in an identically labeled envelope or container.

(c) Request Denied. If a request to file under seal is denied in whole or part, the Clerk will notify the submitting party, hold the document for 14 days for the submitting party to retrieve it and, if it is not retrieved, destroy it.

(d) Effect of Seal. Unless otherwise ordered, any document filed under seal shall be kept from public access, including inspection by attorneys and parties to the action. Any document filed under seal shall be destroyed by the Clerk unless it is retrieved by the submitting party within 1 year after the closing of the case or proceeding in which it was filed.

9019-1. Settlements and Agreed Orders

Any motion or order to approve a compromise or settlement must be filed in the bankruptcy case and in any related proceeding where the complaint or action originated.

9019-2. Alternative Dispute Resolution

Pursuant to 28 U.S.C. §§ 471, 473(a)(6) and 651-58, and FED. R. BANKR. P. 7016, the United States Bankruptcy Court for the Middle District of Tennessee has created an Alternative Dispute Resolution Program (“ADR Program”). The ADR Program is described in a separate document known as “The ADR Program for the United States Bankruptcy Court for the Middle District of Tennessee.” That document is located on the court’s website, at <www.tnmb.uscourts.gov>Local Rules>Alternative Dispute Resolution (ADR) Program. The ADR Program is part of the Local Bankruptcy Rules and may be cited as LBR 9019-2.

(b) Citation to Local Rules. The Local Rules of the United States Bankruptcy Court for the Middle District of Tennessee shall be cited as LBR (number of rule).

(c) Administrative Procedures for Electronic Case Filing. The bankruptcy judges of the district are authorized, pursuant to FED. R. BANKR. P. 9029(a)(1), to make and amend administrative procedures with respect to Electronic Case Filing (ECF) in the Bankruptcy Court for the Middle District of Tennessee. Administrative procedures so enacted shall have the force of local bankruptcy rules but shall be made, amended and applied with due regard for the new and still developing technology that is the ECF system.

(d) Administrative Procedures for Submission of Evidence Electronically. Pursuant to FED. R. BANKR. P. 9029(a)(1) and (2), the bankruptcy judges of the district are authorized and have enacted procedures governing the submission of electronic evidence, known as Electronic Evidence Procedures (“EEP”). The administrative procedures for submission of electronic evidence have the force of local bankruptcy rules and may be amended from time to time. The most current version of these procedures are located on the court’s website <www.tnmb.uscourts.gov>. The “Electronic Evidence Submission Application,” (“EESA”) is located in ECF, under “Bankruptcy” tab > “Exhibits.”

9036-1. Notice by Electronic Transmission

Except as provided in ECF Procedure 7 and to the extent practical, the Clerk and all registered ECF filers are directed to send only electronic notice to any entity so consenting or requesting.

9037-1. Privacy Protection for Filed Documents

(a) Form. Any request to limit public access, to redact and/or to remediate personally identifiable information pursuant to Fed. R. Bankr. P. 9037 shall be initiated by Motion. The Motion shall be filed electronically as a Miscellaneous Proceeding using ECF by selecting the event styled “Motion to Restrict Access to Document or Motion to Redact.” Public access to the Motion to Restrict Public Access or the Motion to Redact shall be restricted automatically by the Clerk, subject to subsections (c) and (e) below. No separate request for permission to file under seal is required. No relief other than to restrict public access and/or permission to file a redacted document(s) may be requested in this initial motion. The Motion must identify the debtor(s), the case number(s), the entity seeking to restrict public access and/or requesting permission to file a redacted document, the entity that filed the affected document(s), the attorney for the entity that filed the affected document(s), and the docket entry or claim number of each document to which public access is to be restricted.

(b) Notice. Notice and service of the initial Motion must be accomplished in a non-public manner on the debtor(s), the debtor’s attorney, the entity that filed the affected document(s) and on the United States Trustee (*see*, LBR 2002-2).

(c) Clerk Shall Act. The filing of a Motion consistent with this rule shall be acted upon as soon as practicable by the Clerk before or after entry of an order. The only acts authorized by this provision are the entry by the Clerk of an order restricting public access to the affected document(s) identified in the Motion and implementing that restriction. The Clerk shall not physically redact, alter or replace any filed document. Access to the affected document(s) shall remain unrestricted to the debtor(s), the debtor’s attorney, the entity that filed the affected document(s), the United States Trustee and the case trustee.

(d) Other Relief. Any request for relief with respect to personally identifiable information other than the initial Motion described in this rule shall be filed publicly in the Miscellaneous Proceeding using ECF and the entity requesting further relief shall comply with LBR 9013-1 or LBR 9075-1.

(e) Public Access to Miscellaneous Proceeding. Absent contrary order, 28 days after the filing of a Motion the Clerk shall lift the restriction on public access to the Motion(s) described in subsection (a) above.

(f) Further Action Required. Whenever an order is entered restricting access to or redacting a document under this rule, the party that originally filed the document shall immediately file an amended version of the document which redacts any personally identifiable information.

(g) Fees. Except when the movant filed the document requiring restriction or redaction, the following are exempt from the miscellaneous proceeding opening fee and the fee to file the motion:

- (1) an entity moving to protect its own privacy, or the privacy of another related to movant by blood or close affinity;

- (2) the case trustee; and,
- (3) the United States Trustee.

9070-1. Exhibits

After final determination of any matter or proceeding, parties shall have 28 days within which to withdraw exhibits. In the event the exhibits are not withdrawn, the Clerk may, without notice, dispose of the exhibits as the Clerk deems necessary, but in no event sooner than the closing of the bankruptcy case, adversary proceeding or miscellaneous proceeding.

9072-1. Orders – Proposed

(a) Filing of Proposed Orders. All orders orally announced in court shall be filed by the attorney for the prevailing party within 7 days, or as otherwise directed by the court.

(b) Obtaining Expedited Relief. A request for expedited relief shall be captioned, “Expedited Motion,” and the motion shall be in the following form:

Paragraph one shall state the expedited relief requested.

Paragraph two shall explain why there is urgency, including what deadline or event precludes the giving of routine notice or requires accelerated processing of the motion or order.

Paragraph three shall state to whom, when and how notice of the expedited motion was given.

Paragraph four shall contain the movant’s suggestion of when the expedited motion can or should be set for hearing, or an explanation why no hearing is required.

Paragraph five shall contain any other statement or argument in support of the motion.

(c) Proposed Expedited Order. Every expedited motion shall be accompanied by a proposed order captioned, “Expedited Order.” If the motion requests a hearing, the proposed order shall include appropriate blanks for the Clerk to insert the date, time and location of the hearing.
